Dear Parent(s),

Re: Online Revision Guides

We would like to remind you that Sandhurst School has purchased online access to the complete library of Pearson Revision Guides for all students.

This resource provides unlimited, 24/7 digital access to a vast collection of revision guides covering Pearson Edexcel GCSE, AQA GCSE, and BTEC Tech Awards. This includes guides for subjects such as Mathematics, English, Science (Biology, Chemistry, Physics), Languages (French, Spanish, German), History, Geography, Business, and Computer Science.

This is a fantastic opportunity for students to prepare for assessments, review challenging topics, and consolidate their learning in an accessible, digital format, whether they are studying for the GCSEs or KS3 milestone assessments.

Access is straightforward and uses the student's existing school credentials:

1. **Visit the Student Intranet Page:** Students should navigate to the following link:
<https://sites.google.com/sandhurstschool.org.uk/sandhurst-student-bulletin/study-revision-guide>
2. **Go to the Study & Revision Section:** Scroll down the page until they find the "Online Revision Books" link.
3. **Sign In:** Click the "Sign in with Google" button and log in using their standard Sandhurst School email address and password.

Once logged in, they will have instant access to all available guides.

We encourage you to discuss this new resource with your child and support them in integrating these guides into their regular study routine. Effective revision planning is key to academic success, and this resource will be invaluable.

A list of the specific titles available is attached for your reference.

Should you have any queries regarding this new resource, please do not hesitate to contact the School Office.

Yours sincerely,

Mr J Bronkhorst
Assistant Headteacher
