Dear Parent(s),

Re: Year 11 After-School Revision Update

I am writing regarding after-school revision sessions for Year 11. This is due to there being one change as Maths has now changed from a Monday to a Tuesday and Geography has now changed from a Tuesday to a Monday. Please see the amended revision timetable attached.

We have been so proud of those in the year group that have been attending numerous revision sessions already. A number of sessions have had in excess of 40-50 students which is fantastic. I am hoping that numbers continue to grow as the term goes on.

There are only 23 school days to go until the November PPEs each day and session really does count to ensure that the year group has the best chance to secure an early feeling of success during this first term.

Yours Sincerely,

Mr R Houston
Head of Year 11
