Headteacher's Weekly Review

It is really important to me that our school provides an excellent academic education but I want to make sure that the children receive an excellent character education too and make a positive contribution to our community.

This week it has been fantastic to see this vision in action. The amount of Year 11 revision sessions that are taking place before and after school is great to see and better still, are the number of students that are attending them. Thank you for supporting us with enabling their attendance as the early indications are that we are seeing real gains from those that attend regularly. We are getting to that time of year when coursework and other projects need to be submitted so it is really important that the students take every opportunity to secure as many marks as possible ahead of their final exams in the summer. I know that many students have their Design and Technology practical assessment next week so I would like to wish them all the best with that.

As well as this academic support available, I have been really impressed by the amount of charity work that takes place too. I received a letter from Diabetes UK this week thanking us for a donation of over £200 they had received. This money was raised by a student run concert that was organised as part of their citizenship project. This is just one example of many events across the year that raise funds and/or awareness for particular issues which ultimately improve the lives of others.

We also have students baking cakes to take to a local nursing home next week. This sort of positive community engagement is something we should all be really proud of. Often these projects don't happen without staff going above and beyond to make them happen but I also recognise that when 'extra' things like this happen it can often fall on the parents to change plans and/or donate time/money so thank you for enabling this fantastic work to happen.

Finally, I would like to congratulate Mr Bronkhorst on his promotion to the role of Assistant Headteacher at Sandhurst School. He will be starting this new role in the summer term. I'm sure he'll make a valuable contribution to the strategic leadership of the school.

1st - 7th February - World Interfaith Harmony Week

World Interfaith Harmony Week, observed annually during the first week of February, is a United Nations initiative aimed at promoting understanding, tolerance, and cooperation among people of different faiths and beliefs. Established in 2010, the week encourages individuals and communities worldwide to engage in dialogue, respect diversity, and foster a spirit of unity. World Interfaith Harmony Week serves as a reminder of the common values shared by various religions and the need for mutual respect to build peaceful societies.

Amidst rising religious conflicts, noble celebrations like World Interfaith Harmony Week are the call of the hour. The most important goal of this observation is to get people to realize that our common values of love, faith, and kindness easily outweigh our differences. With patience and humility, we could all make the world a wonderful place to live in — one where faith unites and religion is not a means of oppression.

5th - 11th February - UK Race Equality Week

UK Race Equality Week is an annual event dedicated to fostering awareness, dialogue, and action on issues related to racial equality and inclusivity in the United Kingdom. This weeklong initiative brings together individuals, organizations, and communities to address racial disparities, challenge systemic inequalities, and promote unity. It serves as a platform for open discussions, educational activities, and collaborative efforts to raise awareness about the importance of racial equality. During UK Race Equality Week, participants engage in conversations about dismantling racism, celebrating diversity, and advancing policies that promote equal opportunities for all. The week aims to inspire positive change, encouraging individuals to reflect on their roles in creating a more inclusive society while advocating for policies that contribute to a fair and equitable future for everyone, regard-

5th - 11th February - UK Children's Mental Health Week

UK Children's Mental Health Week, observed annually in February, is a dedicated initiative aimed at raising awareness about the importance of children's mental well-being and fostering a positive conversation around mental health issues. This week provides an opportunity to highlight the challenges faced by children and young people in terms of their mental and emotional health. Organized by various mental health organizations, schools, and charities, the week involves a range of activities, discussions, and educational programs designed to support children in building resilience, coping with stress, and understanding the significance of mental well-being. By encouraging open conversations and promoting resources for mental health support, UK Children's Mental Health Week aims to reduce the stigma associated with mental health issues, provide essential tools for emotional well-being, and empower children to lead healthier and happier lives.

Prom Points

Prom Points are back! When a Year 11 student completes excellent work they can be awarded a Prom Point which is worth five points. They are also automatically entered into a weekly draw to win a free Prom Ticket. Each separate award receives an entry into the draw. This is one of the ways we recognise the hard work that our students undertake.

This week's winner is:

Aimee Costello

Attendance

Does Your Child Have an Appointment?

If your child has a meeting, an appointment or a college interview, please contact us in advance as students cannot leave school without prior permission.

Please email attendance@sandhurstschool.org.uk with the following:

- Time and date of the appointment
- Reason for the appointment, e.g Doctor, Dentist, interview.
- Time they are to be collected and the name of the person collecting, or permission to leave school and make their own way.
- Evidence of the appointment they are attending.
- The approximate time they will be returning to school.

ENGLISH

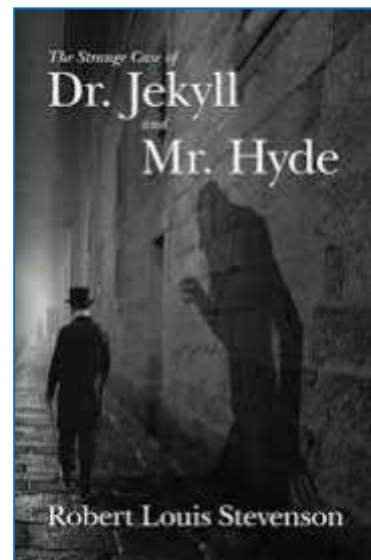

This time of the school year always seems to fly by in the blink of an eye, and I feel it is beneficial to pause and think about what is happening now, at this exact moment. Without further ado, let's talk about what our classes are currently learning.

Whether it is the beautiful beaches of Kenya, spectacular Sydney, or captivating Curacao, our Year 7s are experiencing the world through various travel writing documents. Our Year 8s are enjoying the Shakespearian experience with *Midsummer Night's Dream*, as we discover the mystical ways of the faeries and the confusion that will soon ensue.

Year 9s are reading through the more serious play *Journey's End* by R.C. Sherriff. This play, written by a soldier himself, explores the effect of war with realistic characters and situations. It is an impactful piece of literature that the English department has the honour of teaching this term.

Our Year 10s are reading the classic *Jekyll and Hyde* and unravelling each mystery the book introduces. Who is Mr. Hyde? How does he know Dr Jekyll, and why on earth would such a well-established Victorian gentleman like Jekyll be involved with such a repulsive man like Mr Hyde? Only time will tell! It has been a great term so far, with plenty more to look forward to.

Mr T Riley
English Teacher

Our English Stars this week for their amazing hard work are:

Mr Houston - Jude Fuller (Year 11)

Mrs M Feiteira - Arianna Triambulo (Year 10)

Mrs Patrick - Ashley Jambwa (Year 8)

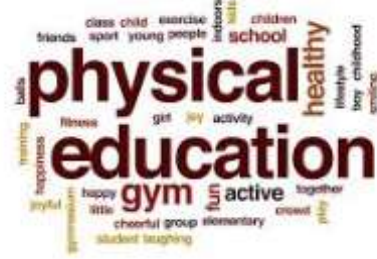

Mrs Byron - Finley Blake (Year 7)

Mr T Robertson - Belle Darlow (Year 11)

Mrs S Cook - Amelia Kibble (Year 11)

Mr T Riley - Oscar Gillings (Year 7)

Year 7 Football

The Year 7 football club has been running this term on a Tuesday after school with brilliant numbers in attendance. From more than 40 students attending we had the difficult task of selecting just 16 players to go and play a tournament at Ranelagh school. Sandhurst were split into two 6 a side teams and the games against Ranelagh's teams took place on their hard-court, floodlit football pitches. This led to some very fast paced action and high energy games.

It was a great experience for the Year 7 footballers to participate in the tournament at Ranelagh School. The boys showcased their skills and teamwork throughout the matches. Both teams displayed determination and resilience, even in the face of tough competition. The first Sandhurst team had an exciting match, scoring four goals and securing a narrow victory. Zac, Freddy W, George and Fletcher were the goal scorers, while Archie contributed with two assists. Jacob's defensive skills were crucial in ensuring the team's success, and Freddy G's ball control allowed him to manoeuvre past opponents effectively.

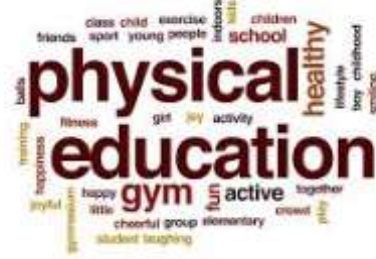

The second Sandhurst team also played exceptionally well, with goals from Noah and Zak. Samuel, Ollie, Oscar, Jacob and Callum displayed great coordination and enjoyed some impressive link-up play. In the second round of matches, Ranelagh raised their game and posed a tougher challenge for Sandhurst. Despite Freddy W's goal, Ranelagh had more attacking opportunities. Thankfully, both goalkeepers, Finlay and Alfie, delivered outstanding performances with their acrobatic saves.

Overall the Year 7 footballers demonstrated excellent team spirit and relished the opportunity to represent their school in a competitive environment. Their hard work and dedication paid off, allowing them to showcase their skills and bring pride to Sandhurst.

Year 10 Football

Last week the Year 10 football team played their first league match of the season against Charters. Sandhurst started well and matched Charters in the opening spell with some good passing and excellent midfield play from George and EJ. Harry was superb in the number 10 role, doing whatever he could to create attacking opportunities for the team. Lukas was also in good form again with a fantastic first touch on the ball which allowed numerous successful dribbles to put pressure on the Charters defence.

Charters were very strong and despite good defending from our fullbacks, Ryan and Jacob, they were able to break through and score to put the game at 3-0 before half time. Sandhurst had their chances too and were desperately unlucky not to be on the score sheet with Frankie and Alfie providing a serious attacking threat.

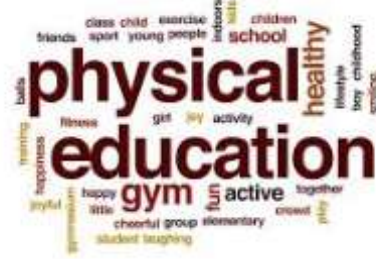

At half time the boys listened well and most importantly came out to play the second half with their heads up. Owen and Charlie were superb at centre back and alongside some outstanding saves from Tim in goal, Sandhurst were able to draw the second half 0-0. Considering the level of the opposition, this was a fantastic second half performance. Sandhurst looked really good as a team and showed the resilience that will be required to gain good results this season.

The team were: *Ryan, Owen, Charlie, Jacob, Leo, Alfie, Lukas, George, EJ, Harry, Frankie, Tim, Oscar*

U12 Girls Football

After weeks of training, Year 7 girls played in their first football match for Sandhurst School this week against Kings Academy EP. The girls were excited and eager to get a result in their first game.

They made a great start to the game, had the majority of possession and some great linked passing gave some great opportunities for goal. Despite a few great opportunities the first half finished goalless 0-0.

After focusing on keeping in their positions, going towards the ball and using the width of the pitch they started the second half strongly. Serayah was strong on the ball and when it fell to her outside the box she took the ball well under pressure and scored our first goal. The team were excited however Kings Academy came back strong and scored quickly after to bring us back level. The girls were determined and showed resilience throughout the game, creating some fantastic goal scoring opportunities.

Some strong defence kept Kings Academy out and some great saves from Anu prevented them from scoring. The final score was 1-1 with all of the team playing brilliantly and coming out with a good result to start their season off. Well done girls!

The team: *Summer, Eva, Serayah, Layla, Izzy, Kathryn, Ruby, Aimee, Anu, Amelie and Lucy*

Player of the match: Serayah

HOSPITALITY AND CATERING

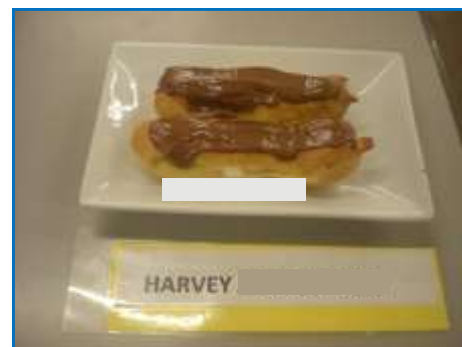

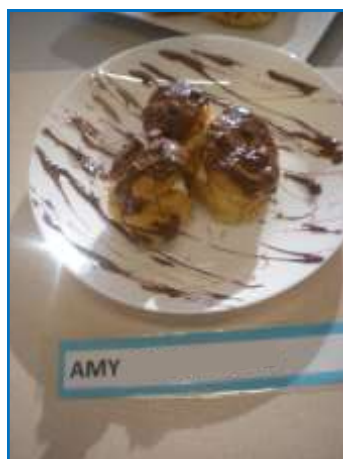

This week Year 10 have been mastering the art of choux pastry. Both groups produced some lovely dishes as you can see. 10B have begun to master presentation, taking great care to display their food beautifully, however they still have work to do on kitchen teams and cleaning! 10D have formed excellent teams and work really well cleaning up, but now need to focus on the fine art of presentation.

Chef of the Week – Special award - Riley for his choux turtles

Chef of the Week 10B – Harvey N for his excellent presentation

CAREERS

Could you help us with our careers activities?

We are looking for any parents/carers (or siblings, aunts, uncles or grandparents!) who can help us with our careers provision through the upcoming academic year.

We arrange a number of activities for the students, from careers talks to interview skills day and we are always keen to include our students' families in what we do.

If you are interested in signing up to help us through the year then please complete the following form.

School Nurses are able to offer confidential advice and support should you need it. The Nurse is able to speak to you regarding any concerns you may have about your health.

If you are unable to attend the drop-in sessions, please speak to either your Head Of House or the Pastoral Office.

The School Nursing Service also offers drop in sessions or advice and guidance on healthier lifestyles!

FREE SCHOOL MEALS

School dinners provide a healthy, nutritious and tasty meal. Research has shown that a school dinner can improve concentration levels. Menus are changed often and can be viewed on the Bracknell Forest website.

By applying for free school meals your child could benefit from a school dinner whilst saving you money. But it's not just a free meal. When you register for free school meals and are eligible, your child's school will receive valuable additional funding from the Government, called Pupil Premium.

Universal Infant Free School Meals

In September 2014, the Government introduced Universal Infant Free School Meals. This means that all children in reception, year one and year two are eligible to receive a free school meal. Parents do not need to do anything to qualify for these meals, however if you apply for the pupil premium, your child's school will still benefit from the much needed addition Government funding.

How this additional Government funding is used by schools

This funding will be invested in your child at school. All schools will use their funding differently, for example some schools offer discounted uniform or help with school trips for those children who raise the pupil premium for their school. If you would like to know how your child's school using this funding, please contact them.

Who is eligible to claim Free School Meals or Pupil Premium?

All children in reception, year one and year two are automatically entitled to a free meal under the Governments Universal Infant Free School Meal scheme. However, those parents of children in these years that are in receipt of one of the following benefits may be eligible to raise pupil premium for their child's school.

Parents with children in year 3 upwards, in receipt of one of the following benefits, may be eligible to claim a Free School Meal for their child as well as the additional pupil premium for their child's school.

Attendance Matters!

Every Student, Every School, Every Day

Please use:

attendance@sandhurstschool.org.uk

For all attendance issues - thank you.

At Sandhurst School, we firmly believe that regular attendance is vitally important to ensure the best possible outcomes for all of our children. Regular attendance means your child can make the most of their education, thus improving their chances in adult life. Being in school will also help your child's social skills, such as making and keeping friendships. A regular and punctual attendance pattern will help your child when they enter the world of work.

To ensure your child gets the best possible start to their education, we ask that you support regular school attendance and punctuality.

We expect all parents and carers to comply with all national regulations regarding student attendance and punctuality. Absences must be reported in the morning on a daily basis to the Attendance Officer via email attendance@sandhurstschool.org.uk or by calling Reception on 01344 775678 and choosing option 1.

If your child is absent from school for a justifiable reason, e.g. illness or medical appointment, their parent/carer must email attendance@sandhurstschool.org.uk or ring school on each morning of absence. If you know in advance that your child is going to be away e.g. medical appointment, you should email as above or you can write a letter giving the reason and details. You will be asked to provide evidence of any medical appointments and leave of absence request forms are available on our school website or can be collected from Reception. All unjustified absences will be investigated.

All students **must** sign out at reception before leaving the premises. If students are returning to school later on, they must sign back in at reception. It is your child's responsibility to report to Reception at the correct time in order to be signed out as Reception staff are not able to collect students from class.

Punctuality

Students should be in their first period classroom no later than the beginning of their morning registration time (8:30am). Students will be marked in 'late' if they arrive after that start time. If students arrive late for school they must make sure that they go to the main Reception to be signed in late. Punctuality is an important expectation of students and when they are late, they will receive a 15 minute detention for that day. Consistently late students will have their detention up-scaled and brought to the attention of their Head of House.

"In 2020 we received, re-purposed and donated 300+ laptops, putting internet and online resource access in the hands of every young person that needed it across our partner schools during the COVID-19 pandemic.

The time has arrived to re-run this incredible initiative."
