

# Sandhurst Weekly News

Friday 5th July 2024

## Headteacher's Weekly Review

It has been a bustling but incredibly exciting week for Sandhurst School.

The week started with the fantastic news that our application to Wellington College's Big Ambition Grants competition had been successful and we will receive a grant of £100,000! Earlier this year we submitted a bid to expand our science curriculum and improve the facilities within the department. This will include a new garden space, an expansion of our STEM extracurricular offer, and new equipment. Our bid was one of seventeen applications received by Wellington College and having evaluated our bid and completed a site visit of the school, the judges awarded us the grant - we could not be more excited about this news.

During the site visit our students played a crucial role and spoke so passionately and articulately about our school and the science department. I am so grateful to Cesere P, Samson F, Harvind J, Ariana T and James M. I am certain this will have influenced the judges' decision! This sort of opportunity comes along very rarely and the students should be really proud of the legacy this will leave for Sandhurst students for many years to come.

This year, between Wellington College, Bracknell Forest Council and the Corvus Learning Trust the school has been able to secure £1.2 million of investment into the school. Although this money could be spent many times over, it will make a real difference to us and allow us to take some significant strides towards having a learning environment we can be proud of. Thank you to everyone involved.

On Wednesday evening we held the Year 11 Prom at Pine Ridge Golf Club, all the students looked wonderful and enjoyed themselves thoroughly. It was a really good end to what has been a stressful year for them so it was great to be able to see the students relax and enjoy themselves. Pictures can be found later on in the newsletter.

As one year group leaves another one joins as we opened our doors on Wednesday and Thursday to our new Year 7 students who will be joining us in September. They have made a fantastic first impression and got stuck into all the activities available. Lots of work goes into organising these days so I would like to thank all the staff involved in making these such a success.

As if all of that wasn't enough, our Design and Technology department took a number of Year 7 students to Harry Potter World for a studio tour. The students were very excited and great ambassadors for the school. Again thank you to the staff that have given the students this opportunity.

We continue to do all we can to improve our school environment and we will be holding our final Make a Difference day on Saturday 13th July between 9.00am - 12.30pm. We will be focusing on the Maths department and all volunteers are very welcome. If you are able to help, whether for an hour or the full morning please let Claire Read know by emailing [cread@sandhurstschool.org.uk](mailto:cread@sandhurstschool.org.uk)

Have a lovely weekend.

Mr G Croxon  
Headteacher

# Headteacher's Award

Friday 5th July 2024

**The winner of this week's Headteacher's Award are:**

Jacob Scarrott - 8G1

Millie Alton 7B1

Pearl Amoh-Mensah 9Y2

Freya Brooks 10R2

Lily Bruce 7B2

Jose Buenafe 7Y1

Olivia Collacott 7Y2

Isabel Currie 7G1

Ethan Doherty 7Y2

Freddie Groenen 7Y2

Jessica Grumbt 7Y1

Ruby Hartley 7B1

Jess Harvey 7B2

Cherry Howe 7G2

Stanley Keyzer-Dean 9G1

Ruby-May Malcolm 7B1

Poppy McLean 9B1

Serena Owusu-Mensah 7G2

Luke Pethers 9Y2

Daniyal Rehman 7Y1

Jacob Scarrott 8G1

Tony Sealey 7R1

Tobias Wishart 7G2

Laura Zegocinska 9Y2

## 7th July - Islamic New Year

The Islamic New Year, also known as Hijri New Year or Muharram, marks the beginning of the Islamic lunar calendar year. The first day of Muharram, the first month of the Islamic calendar, signals a time of reflection, renewal, and spiritual significance for Muslims worldwide. While it is not as widely celebrated as other Islamic holidays, such as Eid al-Fitr or Eid al-Adha, the Islamic New Year holds cultural and religious importance. Muslims may spend this time engaging in prayer, reciting the Quran, and reflecting on the lessons of the past year. It is also a time to express gratitude, seek forgiveness, and set intentions for the year ahead, embodying the principles of faith, humility, and self-improvement in their daily lives.

# Pastoral

We'd like to extend a massive thank you to all our fantastic Year 10 students for their incredible attitude throughout the recent end-of-year exams. Their dedication, focus, and positive approach were truly commendable.

We also recognise the invaluable support you, the parents, have provided throughout this busy period. Your encouragement and guidance undoubtedly played a significant role in their success.

To celebrate their achievements and acknowledge the hard work of our dedicated tutors, we hosted a special thank-you breakfast. It was a lovely occasion to recognise their efforts during a demanding exam season.

We wish Year 10 a well-deserved and relaxing summer break. We look forward to seeing you all refreshed and ready to embark on your Year 11 journey in September!

Mr J Martin  
Head of Year 10

# CAREERS

## Year 10 Interview Skills Day

Sandhurst School were delighted to welcome 16 local community members into the school on Tuesday to help us run our Year 10 Interview Skills Day. Every student in the year was allocated a 10-minute interview with one of our volunteers to allow them to practice the important skills needed for a successful interview.

The students created their CVs in the weeks running up to the day and all came dressed in their smartest clothes. They all did a wonderful job and we are very proud of them! The feedback we had from the interviewers was overwhelmingly positive praising how wonderfully the students did, some would have even offered jobs out on the day if the interviews had been real!

The day was finished with an assembly where the strongest candidates from the day were awarded with certificates and some of the interviews gave some feedback. Well done to all the students involved.

If you would like to be a part of our Careers volunteers, please complete [this form](#) to sign up ready for our activities starting in September 2024.

Thank you,

Mrs Hoekstra  
Carers Coordinator

## Welcoming New Faces: A Growing EAL Population Finds its Footing at Sandhurst School

This year, Sandhurst School has seen a significant rise in the number of students who speak English as an Additional Language (EAL). This rise in EAL students reflects a broader trend of increasing global mobility. Sandhurst School is committed to creating a welcoming and inclusive space for all students, regardless of their first language.

To support these new learners, the school has implemented a number of initiatives. EAL specialists work with students to develop their English proficiency, focusing on both comprehension and communication skills. Additionally, teachers across all subjects are incorporating differentiated instruction to ensure EAL students can access the curriculum effectively.

Beyond language learning, the school is fostering a sense of community for EAL students. Buddying students with English-speaking peers who can help them navigate the school environment, from finding their classrooms to understanding school traditions is enabling them to connect with classmates and feel a sense of belonging.

The increased EAL population isn't just a challenge, it's a strength. These students bring diverse experiences and cultural knowledge into the classroom, enriching discussions and fostering a deeper understanding of the world.

As Sandhurst School continues to welcome new EAL students, the focus remains on providing them with the support they need to succeed. By fostering a culture of inclusivity and celebrating the richness of different languages and backgrounds, the school is ensuring that all students, regardless of their first language, can thrive.

Mrs D Angdembe  
English Teacher

Our English Stars this week for their amazing hard work are:

Mr Houston - Jessikah Knowles (Year 8)

Mrs Byron - Ella Fisher (Year 8)

Mr Robertson - Roxanne Wyatt (Year 8)

Mr Riley - George Grady (Year 8)

Miss Maree - Pearl Amoh-Mensah (Year 9)

Mrs Angdembe - William Geary (Year 7)

Phoebe Ellis (Year 8)

Mrs Cook - Olivia Collacott (Year 7)

Mrs Patrick - Jack Clifford O'Connor (Year 10)

Summer term Studying 1950s and 1980s Hair and makeup and Ethical considerations.

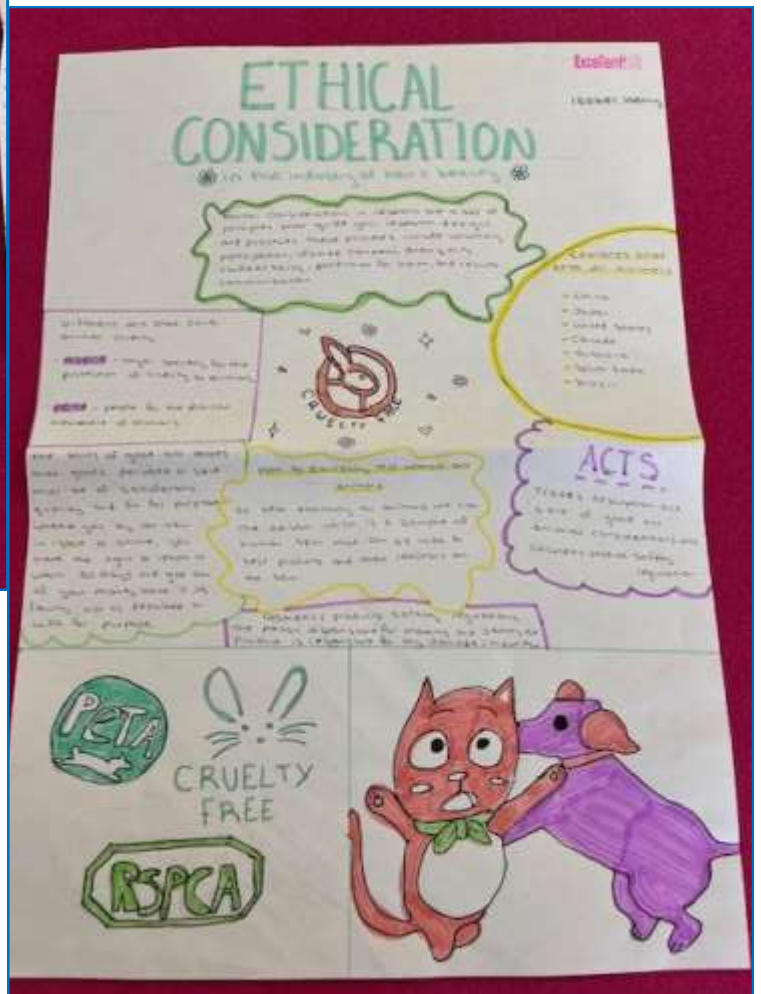

Plus the Lunch time club

An important aspect of hair and beauty is the emphasis on ethical considerations, students are learning about topics such as the impact of beauty standards on self-esteem, the environmental effects of beauty products, and the importance of cruelty-free and sustainable practices.

## PETA and the RSPCA

**ETHICAL** Very Good!  
CONSIDERATION IN THE...  
*hair & beauty* INDUSTRIES

In the UK, it is illegal for cosmetic businesses to test their products on animals or for businesses to buy products from other cosmetic businesses in the UK, unless they can prove that the product is from a country that does not test on animals. It is illegal to buy the product if tested on animals.

**RSPCA** • Royal Society for the Prevention of Cruelty to Animals  
• They monitor, advise and prevent cruelty against animals in the UK.

**PETA** • People for the Ethical Treatment of Animals  
• They campaign and defend rights for all animals.

The Trade Description Act 1968 was introduced so manufacturers couldn't mislead consumers by not stating they were spending their money on...  
The Sale of Goods Act 1979 is so businesses have to describe the product as they are, so for products and the quality of the product.

**ANIMAL TEST-FREE**  
*PETA*

In 2013, they decided to...  
was added to the...

Year 10s are studying the 1950s and 80s hair and beauty eras, these decades are rich in cultural, social, and political changes, and provide a fascinating backdrop for their synoptic exam.

Since the start of the academic year, two of our Year 10 students have given up their time to run the Hair and Beauty club on Wednesday lunch time for Year 7 and 8. The club is aimed at providing a creative and relaxing break from academic pressures, it has been met with enthusiastic participation. The club offers a variety of activities, from learning basic hairstyling techniques to exploring skincare routines and even trying out nail art. The students have shown a real eagerness and creativity, quickly picking up new skills and the opportunity to express themselves through beauty. A great way to make new friends, whilst having fun. We have noticed the impact the club has on the students' confidence and social skills. Thank you to Sophia and Sophie. Well done!!

Mrs. N Cockroft

A great start to plaiting and braiding

## U14 Cricket

The U14 Cricket team were in action this week with a tournament held at Sandhurst School. Seven teams competed in short, action packed games in a thoroughly enjoyable afternoon of cricket.

With just three overs per innings, the batting team had to take big risks to hit the runs quickly and this led to some exciting games with wickets being taken early on as well as some incredible shots off the bat!

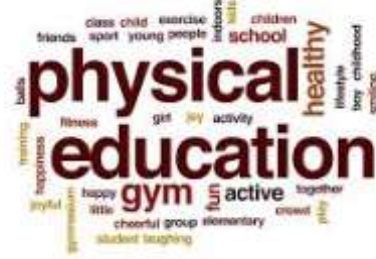

Sandhurst played very well and enjoyed victories against King's Binfield and Edgbarrow's team 2. The teamwork shown in the field for these matches was superb! Great bowling from Joe and Poppy, super sharp wicket keeping from Warren, Xander and Harrison were accurate with the bat and Lukash made the catches to win the matches!

Sandhurst lost out to Edgbarrow's team 1, Brakenhale and Garth Hill, although there were still some terrific highlights from the Sandhurst team in these games.

Most importantly, with seven teams competing in the tournament, this meant we had around 50 students all having fun playing the game they love!

Mr T King  
PE Subject Leader

## Berkshire U13 Track and Field Championships 2024

Lydia and Max were selected to represent Bracknell Forest in the Berkshire U13 Track and Field Championships 2024.

Lydia qualified from the District Athletics in the 75m sprint and Max qualified in the Discus. Both Lydia and Max were extremely proud to be selected to compete at this level and they certainly represented us very well.

Lydia came 4th in her 75m race beating two other top level runners in a blisteringly fast race. She also took part in the Bracknell Forest relay team and ran a very good 100m leg to help the team!

Max was also brilliant, finishing third overall in the Discus event. This means that Max came third out of the whole county of Berkshire!

This is certainly an accomplishment that only a select few can achieve! This has inspired Max and Lydia to keep improving in athletics and so there will be many more great competitions for them to follow!

Mr T King  
PE Subject Leader

**Monday to Thursday**  
**3:00 - 4:00pm in PC4**

*All are Welcome*

### PE Clubs Summer 2024

Clubs run from 3:10pm to 4:00pm.

	Monday	Tuesday	Wednesday	Thursday	Friday
After School	<b>Rounders</b> – all years Mrs Evans Miss Heighes	<b>Athletics</b> - all years Mr King Mrs Evans Mr Proctor-Searle Mrs Davis Miss Heighes	<b>Cricket</b> - year 7 Mr Martin  <b>Cricket</b> - year 8, 9, 10 Mr Proctor-Searle  <b>Tennis</b> - all years Mr King		

For the majority of the PE clubs students can just turn up and participate. They should arrive at the PE changing rooms with their kit and they will be signed in by one of the PE staff. They do not need to register in advance.

# ATTENDANCE REPORTING GUIDE

## What **YOU** must do:

Report your child's absence before 8.30am each day of their absence via the **STUDYBUGS** app, email [attendance@sandhurstschool.org.uk](mailto:attendance@sandhurstschool.org.uk) or telephone the attendance office on 01344 775678.

Tell us in advance of any medical appointments and provide appointment cards, letters or screenshot of text .

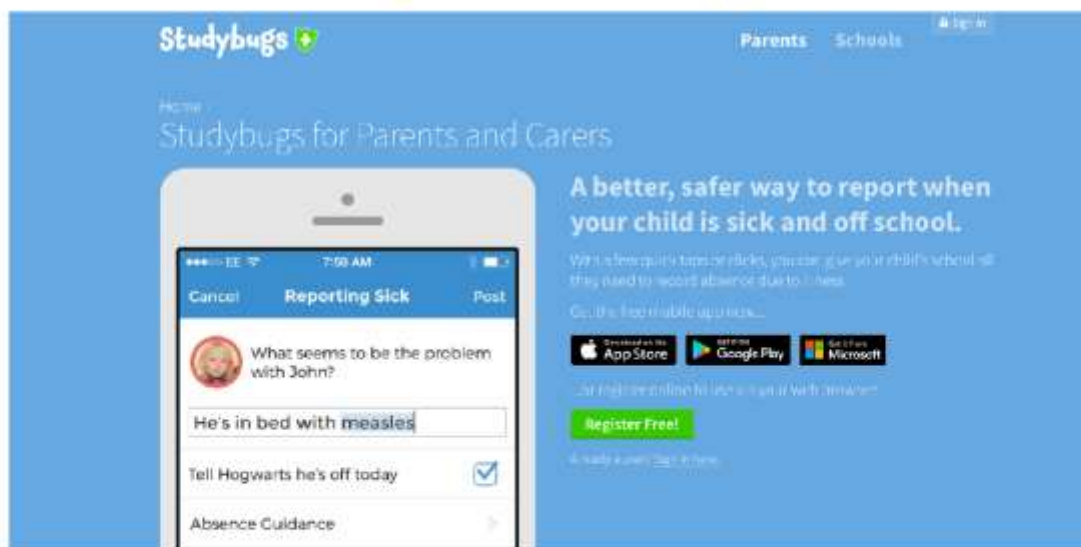

## What **WE** will do:

Check you child absence every day.

Contact you to discuss your child's attendance.

Invite you into school for an attendance meeting if we are concerned.

**If you and your child are experiencing difficulties with school attendance then talk to us as a first step so we can help!**

## SCHOOL NURSE DROP IN SESSIONS

## Week B, Thursday Lunch in the SLC Reflection Room

- Bullying
- Emotional Well-being
- Stress & Anxieties
- Friendships
- Mental Health
- Drugs & Alcohol
- Smoking & Vaping
- Sex & Relationships

Its OK to ask for Help;

School Nurses are able to offer confidential advice and support should you need it. The Nurse is able to speak to you regarding any concerns you may have about your health.

**If you are unable to attend the drop-in sessions, please speak to either your Head Of House or the Pastoral Office.**

**The School Nursing Service also offers drop in sessions or advice and guidance on healthier lifestyles!**

# PROSPECT IN THE COMMUNITY

Here at Prospect, we don't just sell and let homes in the local area; we are local people ourselves and love being a part of the local community. That is why we set up the Prospect Foundation to give back to the amazing community that has given us so much over the years.

In the spirit of giving back to our community, we are also reintroducing our school donations this year. When you sell with Prospect, we will donate £250 of your selling fee to a local school of your choice.

Sandhurst School  
the opportunity to succeed

# BOOST FUNDS FOR OUR SCHOOL JOIN OUR LOTTERY

**It's the easiest way for YOU  
to HELP US raise money.**

- Join our weekly lottery from just £1 a week
- It's an easy way to support our school and help raise funds
- 40% of ticket sales come back to us
- There's a guaranteed winner every week as well as the chance to win £25,000
- It's easy to sign up online so start supporting our school today!

**Support  
your  
school  
today!**

**Just £1 per week**

**40% to your school**

**£25,000 jackpot!**

**Cash prizes every week**

**your  
school  
lottery**

### How it works

It's simple - choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes with a **jackpot prize of up to £25,000!** One of our supporters will win a cash prize every week. Tickets cost just £1 per ticket per week and 40% of all ticket sales are donated to your school.

Draws are conducted every Saturday at 8pm and results are posted online. Winners will be notified via email and the winnings will be paid straight into an account of their choosing.

The easiest and quickest way to join our lottery is online where you can set up your payment either by direct debit or one off payment card. Alternatively, set up can be done over the phone using the contact details below.

**It's so easy to join and you could make a real difference to your school.**

### The maths...

100 tickets sold means  
= **£30** a week cash prize  
= **£2,080** a year for your school

### Where does your money go?

Tickets cost just £1 per week

- 40p** goes directly to your school
- 36p** goes towards lottery winner's cash prizes
- 20p** goes towards lottery administrative costs
- 4p** for VAT

**BUY TICKETS ONLINE TODAY**

# INSIGHT INTO UNIVERSITY

Thank you to our supporters:

## HELP STUDENTS DECIDE WHETHER UNIVERSITY IS THE ROUTE FOR THEM

Insight into University is a comprehensive virtual experience allowing students to explore STEM studies at university and the career opportunities that these subjects lead to. It provides access to information on student life, STEM projects and activities set by leading UK universities and global STEM companies, first year undergraduate lectures, live interactive sessions with academics, admissions tutors, employers and current students.

Whether young people are interested in life sciences, chemistry, biomedical, forensic science, robotics, food science, electronics, engineering, physics, computer science, sustainability, materials science, aerospace, built environment, tech or maths, we have something for them. With specially developed content and live sessions from universities including University of **Cambridge, Sheffield, Lancaster, Abertay, UCL, Oxford, Liverpool, Plymouth, Edinburgh, Birmingham, Warwick, Kingston, Nottingham, Strathclyde**. We will also have some fantastic workshops and careers guidance from organisations such as Innovate UK, GSK, GE, Tech Partnership, Rolls Royce and more.

The unique feature of this course is that students are able to access content from a diverse range of STEM subjects and will be able to tailor a course that suits their interest.

On successful completion of the course, which involves 30 hrs of study, students will receive a Silver Industrial Cadets award and be in a position to make a more informed decision for their UCAS application.

# INSIGHT INTO UNIVERSITY

## What our students say

*"I've absolutely loved every minute of this course. I found the live sessions in particular very inspiring and informative, and all of the taster lectures were both accessible and challenging. I'm really excited to continue with my STEM studies."*

*"This course absolutely helped me with my future education and career path. The way I was able to choose which activities or lectures I wanted to complete was undeniably useful as it meant I could tailor a course to suit me. This was a thoroughly enjoyable experience."*

*"I really enjoyed the course and feel much more confident in applying to university having done it. The live sessions were very interesting and I was blown away by the wide range of choice of sessions."*

*of students felt that the skills and knowledge that they gained from the course will have a positive impact on their future studies and career.*

**92%**

*of students felt confident or very confident in making their future study and career choices after completing the virtual experience.*

**86%**

## When is it?

The experience will run from **1st July until 23rd August 2024** and can be completed flexibly to fit around other commitments and study at a pace that suits individual circumstances.

## Who is it for?

The experience is open to all students age 16+ and is suitable for all abilities, with activities that cover different levels of advanced study.

All students need is a genuine interest in STEM and inquisitiveness about what the future can hold for them and how they can help get themselves there.

## How to apply?

Applications open on 4th March 2024. Visit our website <https://www.etrust.org.uk/insight-into-university> or scan the QR code to register your interest!

## Cost: £95

Fully funded places are available if cost is a barrier, please indicate your interest on the application form

# Routes into STEM Virtual Experience

## 2023/24

Routes into STEM virtual experience provides an exciting opportunity to explore the various routes you can take towards your STEM career. This course is designed to enable young people to work through activities and projects at their own pace, tour a variety of institutions virtually and also have access to live career sessions and mentor panels with STEM employers.

### Who is it for?

- Students in **Year 9 or 10 / S3 or S4 / equivalent** who are interested in exploring a career in STEM (Science, Technology, Engineering and Maths)
- All you need is an interest in STEM and curiosity about the future. The course is open to all academic abilities

### What's involved?

- Approximately 20 hours of study virtually at a pace that suits you
- Exploring different Routes into a STEM career including College Courses, University Courses, and Apprenticeships and learning from industry what is involved in a STEM career as well as enhancing your skills
- Live interactive sessions over the half-term breaks, school holidays and after school, allowing you to listen and ask questions to STEM students and professionals
- Getting to work on a project set by a STEM company to look further at a career area that interests you

### What do you get out of it?

- Find out about different Routes into a STEM career from industry experts, college and university leaders, as well as young people who are currently on that path
- Engage in projects and activities that will enhance your problem-solving, critical thinking, creativity and innovation skills and inspire you to find career motivation. Projects include a Biopharm challenge from GSK, a Design challenge from Balfour Beatty, an RSC Chemistry challenge and many more exciting challenges in all areas of STEM.
- Create your own personalised action plan to see your own Route into STEM
- Learn about your career skills and how you could write about this in your CV/ Personal Statement or Application form
- Receive an Industrial Cadets Bronze Award showing all that you have achieved on the course

## When is it?

This experience runs from 2 October 2023 until 2 August 2024 **with live sessions running throughout the duration, over the half-term breaks, school holidays and after school**

## Cost

**£75**

If cost is a barrier, fully funded places are available, please indicate your interest on the application form

## How to apply?

To apply, please visit our website [here](#) or **scan the QR code!**

## What previous students have said

*"This experience has shown me just how varied STEM is. I know that I can have a career that suits me, no matter my academic merit or personal qualities. I've also heard a lot from people who study and work in STEM, and it has been inspiring and encouraging to hear about their positive experiences and ambitions for the future. Industrial Cadets has also taught me key skills such as problem-solving and communication, which I am eager to apply to my future education and career."*

*"I've always loved STEM things but I always worried about not being able to make it, but now getting a STEM career seems more achievable."*

*"Before, I was fixed on a regular plan to go into 6th form, go to you university, and move forward without looking for any non-linear pathway. Routes into STEM has shown me that many of those who end up in STEM careers have not pursued that linear pathway, and this has made me more open to options such as apprenticeships, which I had never considered previously"*

**94%** of students felt confident about making future career choices following their course

**99%** of students felt they know more about the STEM careers opportunities available to them

# How To Book Your Camp

With **uSports**

## uSportsWebsite

- 1 Search for the uSports website or scan the QR code**  
*If you aren't on the camp specific page already:*
- 2 Click Parents > Holiday Camps > Berkshire Holiday Camps**
- 3 Use the search filters to find the venue or type of camp which you would like to book on to**
- 4 Click Find Out More for more information OR book by clicking the appropriate Book Now age for your child (4 years or 5-12)**

## ClassForKids

Once you click Book Now on the uSports website you will be taken to ClassForKids

- 1 Log in or create an account**
- 2 Select which days you want your child to attend**
- 3 Enter your child's details**
- 4 Select complete order & then either pay by card or childcare vouchers. This is where you can also enter and discount codes.**

## Discounts

### 10% SIBLING DISCOUNT

This will be applied automatically when you book more than one child under one booking

### 20% HAF DISCOUNT

If you usually receive HAF funding through Pupil Premium, email us to claim your unique discount code. There are no free HAF spaces during half term. Please note that there is no food provided with this booking

### MULTI-DAY DISCOUNT

This will be applied automatically when you book all the days running in a week at one camp
