Headteacher's Weekly Review

Thank you to all of you that were able to attend the Year 10 parents evening this week. It is particularly important that students get off to a good start to their GCSE and vocational courses. Before you know it they will be completing applications for Sixth Forms, colleges and apprenticeships! This time next year they will also be in the final run up to their actual exams. Thank you to those that have completed the parent feedback form. Your feedback is really important to us and it does shape the decisions we make.

Our next **'Make a Difference Day'** will be Saturday 23rd March. We will be giving another area of the school a lick of paint to help improve the learning environment for our students. You are very welcome to support us in any way you can. We will be working 9:00 am to 12:00pm but you are very welcome at any time between these hours whether you can give up 20 minutes or the full time.

As part of our PSHE curriculum Year 7 and 8 have received education on the dangers of underage drinking this week. They watched a performance by the charity SMASHED. This was very well received by the students and we were very proud of the way they presented themselves.

This morning, as I was driving into school, I heard the novelist and columnist Ann Atkins speaking about International Women's Day on the radio. I was struck by some of the statistics she quoted. According to a UN special report that has been published:

- It has been confirmed that no girl beyond primary age will be educated in Afghanistan
- Worldwide, women are twice as likely to not be educated
- Women produce 80% of the world's food but are 10% more likely to starve to death
- It is estimated that it will take 300 years to end child marriage

In the UK:

- 2 women a week are killed by their partners and a further 3 take their own life due to domestic abuse.
- Police receive a domestic abuse related call every 30 seconds and this is thought to represent only a quarter of actual domestic abuse incidents.

Although it is clear that progress has been made in terms of gender equality I found these statistics to be a stark reminder of the work that is still needed.

If you would like any further information about international women's day or their campaign to **'inspire inclusion'** please visit <https://www.internationalwomensday.com/>

If you have been effected by domestic abuse further support and information can be accessed here <https://www.nationaldahelpline.org.uk/>

Collectively, let's forge a more inclusive world for women.

Have a wonderful weekend.

10th March - Ramadan

Ramadan is a sacred month observed by Muslims worldwide as a period of fasting, prayer, reflection, and community.

In 2024, Ramadan will begin on the evening of Sunday 10th March, with the first day of fasting on Monday 11th March.

The month of Ramadan holds significant religious importance in the Islamic calendar, as it marks the time when the Quran, the holy book of Islam, was believed to have been revealed to Prophet Muhammad.

Muslims abstain from food, drink, and other physical needs from dawn until sunset during this month, fostering spiritual discipline, empathy for those in need, and gratitude. The fast is broken each evening with a meal called iftar, often shared with family and friends.

Ramadan is also a time for increased prayer, seeking forgiveness, and engaging in acts of charity. The culmination of Ramadan is celebrated with Eid al-Fitr, a festive day of gratitude, community, and giving.

8th March - International Women's Day

International Women's Day (IWD) is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call to action for accelerating gender parity. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements or rally for women's equality.

International Women's Day has occurred for well over a century with the first gathering held in 1911.

Prom Points

Prom Points are back! When a Year 11 student completes excellent work they can be awarded a Prom Point which is worth five points. They are also automatically entered into a weekly draw to win a free Prom Ticket. Each separate award receives an entry into the draw. This is one of the ways we recognise the hard work that our students undertake.

This week's winner is:

This week Heads of House asked their team of Tutors to nominate one student from their Tutor Group who has made an outstanding start to the new academic year. Please see the list of names below. We would like to congratulate all of them on a fantastic start and each of them have received a Headteacher's nomination.

This will be run fortnightly, where Heads of House will be asked to identify students that have been embodying the four qualities that define Sandhurst School: Ambition, Respect, Resilience and Pride.

Year 10 Maths Feast Edgbarrow School

On Wednesday a gallant team of mathletes attended an inter school maths feast at Edgbarrow School. Their tasks included complex maths puzzles, logic sequences and finally a practical dodecahedron building challenge. Our students Ella, Finn, Leo and Auris were fully focussed and enjoyed all of the challenges. Hopefully they are inspired to take maths for 6th form and even to a career in maths. It was a pleasure to accompany these students, I was very proud of them and in awe of their maths skills.

Our Year 10 GCSE Citizenship students recently embarked on a memorable trip to London, combining historical immersion with a touch of modern wonder. The day began at the heart of British democracy: the Houses of Parliament.

Our visit coincided with Budget Day, adding a unique layer of excitement to the experience. As we toured the magnificent Palace of Westminster, the students witnessed the bustling environment first-hand, with politicians and officials preparing for the announcement. It was a powerful reminder of the dynamic nature of our government and the intricate workings within these historic walls.

The tour offered rich information, delving into the political and historical significance of Parliament. Our knowledgeable guide provided fascinating insights into the building's architecture, the evolution of British democracy, and the current political landscape. Gaining a deeper understanding of the institution that plays such a crucial role in our nation.

In the afternoon, a ride on the London Eye treated the students to panoramic views of London's iconic landmarks. From the towering skyscrapers of the financial district to the dome of St. Paul's Cathedral, students were able to appreciate the city's vastness and historical significance from a unique vantage point.

This well-rounded trip provided a valuable learning experience for our Year 10 students. They gained first-hand insights into the workings of government, explored the rich history of Parliament and embraced many of London's landmarks.

From Places to Journeys: Gearing Up for Travel Writing! (Year 7)

The Year 7s have shifted gears from describing static locations to capturing the dynamic experiences of travel writing. They are not just imagining visiting a new city but living it! The texts they are presently reading are like travel journals, detailing the journeys and experiences of real writers on the road.

Travel is rarely a smooth ride. So, they are preparing to capture the challenges, surprises, and funny mishaps that make journeys unique.

They are also becoming storytellers by weaving narratives of the sights, sounds, smells, and even the people they meet along the way.

There is a sense of adventure and excitement in the air, as the Year 7s have embarked on their own literary journey!

A Midsummer Night's Dream (Year 8)

A Midsummer Night's Dream may be a centuries-old play, but its themes of love, friendship, and the power of imagination are timeless. Year 8 has not only gained a deeper appreciation for Shakespeare, but also discovered the joy of exploring the fantastical world of theatre.

Understanding Shakespeare's language can be challenging, but the students have been learning to dissect the language to help make Shakespeare less scary.

Who knows, maybe some future actors and directors are sparked by this journey into a midsummer night's dream!

Exam Season Survival Guide: Top Tips for KS4 Success!

Calling all Year 10 and 11 students! Exam season is upon us, but fear not! With the right approach, you can conquer those papers and achieve your academic goals. Here's your ultimate survival guide:

Planning is Power:

Craft a Schedule: Break down the work into manageable chunks. Allocate specific times for revision sessions across different subjects. This helps avoid last-minute cramming and keeps you organized.

Find Your Focus Zone: Create a dedicated study space that's quiet, well-lit, and free from distractions. This could be a library, a quiet corner at home, or even a local coffee shop (with noise-cancelling headphones if needed!).

Fuel Your Brain:

Eat for Success: Ditch the junk food! Pack your brain with healthy snacks like nuts, fruits, and whole grains to keep your energy levels up during revision sessions.

Stay Hydrated: Water is your best friend! Dehydration can lead to fatigue and hinder your focus. Keep a reusable water bottle by your side and sip throughout the day.

Mastering the Material:

Know Your Learning Style: Some learn best visually, others by doing. Explore different revision techniques like flashcards, mind maps, practice questions, or even group study sessions to find what works best for you.

Past Papers are Gold: Familiarize yourself with the exam format and question styles. Practice past papers under timed conditions to build confidence and time management skills.

Don't Be Afraid to Ask: Stuck on a concept? Don't suffer in silence! Reach out to teachers, tutors, or even classmates for help. Explaining a concept to someone else can actually solidify your own understanding.

Exam Day Essentials:

Get a Good Night's Sleep: A well-rested mind is a sharp mind. Aim for at least 7-8 hours of sleep the night before your exam.

Plan Your Outfit: Choose comfortable clothing that allows you to focus. Pack an extra layer in case the exam hall is chilly.

Pack Smart: Bring all the necessary equipment – pens, pencils, highlighters, a calculator (if allowed), and a water bottle. Don't forget a positive attitude!

Remember, exams are a test of your preparation, not your intelligence. By following these tips and staying focused, you can approach exam season with confidence and achieve your academic goals. Good luck!

Our English Stars this week for their amazing hard work are:

U15 Girls Football

On Monday U15 girls played against Charters. It was a cold windy afternoon but the girls were eager to get started.

Sandhurst got off to a good start pressing the ball and displaying good passing and movement. Unfortunately Charters started the game strong and took a 2-0 lead early on. Despite this Sandhurst kept pressing and winning loose balls. Some excellent dribbling and strength was demonstrated by Lily-Marie which gave us various opportunities on goal. The resilience and determination shown by the midfielders and forwards allowed Sandhurst back into the game with Ruby scoring two well worked goals just before half time.

Starting the second half Sandhurst knew they needed to continue putting the pressure on Charters and this is exactly what they did leading to Evie scoring to put Sandhurst ahead. Charters were determined and motivated to gain a result and had various goal scoring opportunities that they took advantage of. Lily-Marie was able to win the ball back in midfield, dribble past players and slot the ball into the bottom left corner. The final score was 6-4 to Charters. Sandhurst displayed good resilience throughout and kept going throughout the game.

The team: *Lily, Daisy G, Daisy T, Olivia, Freya, Emily, Rhiannon, Evie, Lily-Marie, Ruby, Chloe, Lily-Star, Imani*

Goal scorers: *Ruby x2, Evie x1 and Lily-Marie x1*

Year 8 Football

On Tuesday afternoon, the Year 8 football team from Sandhurst Secondary School faced off against Desborough School in an exciting match that ended in a 6-4 victory for Sandhurst. The game was filled with thrilling moments and impressive goals from both teams.

Sandhurst started the game strong, taking an early lead with goals from Andre and Mark which took Sandhurst into half time with a 3-0 lead. However, Desborough fought back, with some impressive play resulting in three goals of their own to level the score.

The game intensified as both teams were determined to secure the win. Mark scored a brilliant free kick, showcasing his accuracy and skill. Aiden also made a significant contribution to the team, scoring a remarkable goal that left the crowd in awe.

Desborough did not go down without a fight, scoring another goals in the second half. However, Sandhurst maintained their composure and continued to push forward, eventually sealing the victory with 2 more goals from Andre and Jaden.

The year 8 football team from Sandhurst Secondary School emerged victorious in a thrilling match against Desborough School, with a final score of 6-4.

The team displayed skill, determination, and teamwork, with standout performances from Andre, Mark, and Aiden.

Congratulations to the team on a well-deserved victory.

Attendance

Does Your Child Have an Appointment?

If your child has a meeting, an appointment or a college interview, please contact us in advance as students cannot leave school without prior permission.

Please email attendance@sandhurstschool.org.uk with the following:

- Time and date of the appointment
- Reason for the appointment, e.g Doctor, Dentist, interview.
- Time they are to be collected and the name of the person collecting, or permission to leave school and make their own way.
- Evidence of the appointment they are attending.
- The approximate time they will be returning to school.

Ms C Milam
Attendance Officer

The card machine at the till in the canteen is only for staff, sixth form and Year 11 students only.

From **Friday 1st March**, Year 11 students will **not** be able to exceed their balance.

If they do not have sufficient balance, they can either pay by card or get a pink IOU card from the pastoral office.

Attendance Matters!

Every Student, Every School, Every Day

Please use:

attendance@sandhurstschool.org.uk

For all attendance issues - thank you.

At Sandhurst School, we firmly believe that regular attendance is vitally important to ensure the best possible outcomes for all of our children. Regular attendance means your child can make the most of their education, thus improving their chances in adult life. Being in school will also help your child's social skills, such as making and keeping friendships. A regular and punctual attendance pattern will help your child when they enter the world of work.

To ensure your child gets the best possible start to their education, we ask that you support regular school attendance and punctuality.

We expect all parents and carers to comply with all national regulations regarding student attendance and punctuality. Absences must be reported in the morning on a daily basis to the Attendance Officer via email attendance@sandhurstschool.org.uk or by calling Reception on 01344 775678 and choosing option 1.

If your child is absent from school for a justifiable reason, e.g. illness or medical appointment, their parent/carer must email attendance@sandhurstschool.org.uk or ring school on each morning of absence. If you know in advance that your child is going to be away e.g. medical appointment, you should email as above or you can write a letter giving the reason and details. You will be asked to provide evidence of any medical appointments and leave of absence request forms are available on our school website or can be collected from Reception. All unjustified absences will be investigated.

All students **must** sign out at reception before leaving the premises. If students are returning to school later on, they must sign back in at reception. It is your child's responsibility to report to Reception at the correct time in order to be signed out as Reception staff are not able to collect students from class.

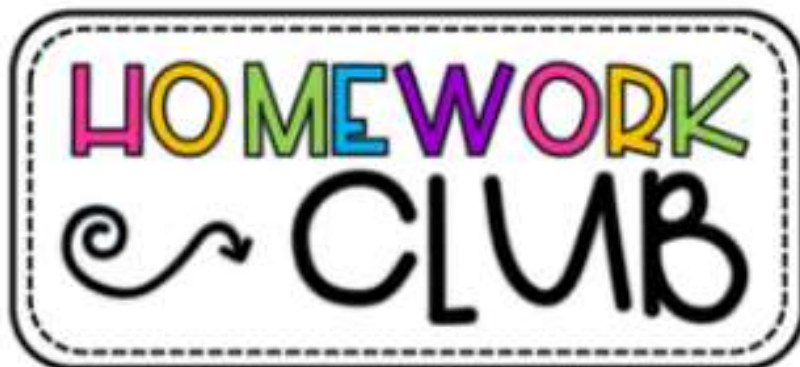

Punctuality

Students should be in their first period classroom no later than the beginning of their morning registration time (8:30am). Students will be marked in 'late' if they arrive after that start time. If students arrive late for school they must make sure that they go to the main Reception to be signed in late. Punctuality is an important expectation of students and when they are late, they will receive a 15 minute detention for that day. Consistently late students will have their detention up-scaled and brought to the attention of their Head of House.

CAREERS

Could you help us with our careers activities?

We are looking for any parents/carers (or siblings, aunts, uncles or grandparents!) who can help us with our careers provision through the upcoming academic year.

We arrange a number of activities for the students, from careers talks to interview skills day and we are always keen to include our students' families in what we do.

If you are interested in signing up to help us through the year then please complete the following form.

School Nurses are able to offer confidential advice and support should you need it. The Nurse is able to speak to you regarding any concerns you may have about your health.

If you are unable to attend the drop-in sessions, please speak to either your Head Of House or the Pastoral Office.

The School Nursing Service also offers drop in sessions or advice and guidance on healthier lifestyles!

FREE SCHOOL MEALS

School dinners provide a healthy, nutritious and tasty meal. Research has shown that a school dinner can improve concentration levels. Menus are changed often and can be viewed on the Bracknell Forest website.

By applying for free school meals your child could benefit from a school dinner whilst saving you money. But it's not just a free meal. When you register for free school meals and are eligible, your child's school will receive valuable additional funding from the Government, called Pupil Premium.

Universal Infant Free School Meals

In September 2014, the Government introduced Universal Infant Free School Meals. This means that all children in reception, year one and year two are eligible to receive a free school meal. Parents do not need to do anything to qualify for these meals, however if you apply for the pupil premium, your child's school will still benefit from the much needed addition Government funding.

How this additional Government funding is used by schools

This funding will be invested in your child at school. All schools will use their funding differently, for example some schools offer discounted uniform or help with school trips for those children who raise the pupil premium for their school. If you would like to know how your child's school using this funding, please contact them.

Who is eligible to claim Free School Meals or Pupil Premium?

All children in reception, year one and year two are automatically entitled to a free meal under the Governments Universal Infant Free School Meal scheme. However, those parents of children in these years that are in receipt of one of the following benefits may be eligible to raise pupil premium for their child's school.

Parents with children in year 3 upwards, in receipt of one of the following benefits, may be eligible to claim a Free School Meal for their child as well as the additional pupil premium for their child's school.

- Income Support
- Income-related Employment & Support Allowance
- The guaranteed element of State Pension Credit
- Universal Credit provided they have an annual net earned income not exceeding £7,400 (£616.67 per month)
- Income-based Jobseekers Allowance
- Support under Part VI of the Immigration & Asylum Act 1999
- Child Tax Credit (provided you're not also entitled to Working Tax Credit) and have an annual gross income of no more than £16,190

If you are entitled to Working Tax Credit during the four week period immediately after your employment stops, or after you start to work less than 16 hours per week, your child would be eligible for free school meals for this four week period only.

How to apply

- Apply online: www.bracknell-forest.gov.uk/freeschoolmeals
- Call 01344 352000

PROSPECT IN THE COMMUNITY

Here at Prospect, we don't just sell and let homes in the local area; we are local people ourselves and love being a part of the local community. That is why we set up the Prospect Foundation to give back to the amazing community that has given us so much over the years.

In the spirit of giving back to our community, we are also reintroducing our school donations this year. When you sell with Prospect, we will donate £250 of your selling fee to a local school of your choice.

For Young People:

For everyone else:

We are delighted to introduce the proposed youth services strategy for Bracknell Forest which supports our children and young people's plan and early help strategy.

Bracknell Forest Council and its partners recognise the need for a clear strategy to support young people and have given their commitment to maximising the potential of this strategy.

Our vision for early help is that 'Bracknell Forest is a place where children, young people and their families feel safe, have access to high quality education and well-being services, giving them the opportunity to live healthy and empowered lives in their community' (Early Help Strategy, 2023).

The youth offer is a vital component of early help, and this strategy will provide the strategic vision for the next three years. It will support the partnership's ambitions for children, young people and their families in Bracknell Forest and is entwined with the early help strategy.

We are inviting input from young people, families and practitioners from across the Bracknell Forest, to help develop this proposed strategy and share their views of the youth service offering now and in the future.
