Headteacher's Weekly Review

I can't quite believe how quickly time seems to be rushing past at the moment! Year 11 and 13 now only have 13 weeks until the main exam season starts so every lesson and revision session really does count. We had a special assembly on Thursday to give the students key messages and to launch the 'prom points' system to try and give the students some extra motivation. Thirteen weeks isn't long but you would be amazed how much progress can be made in that amount of time if students are working effectively. I would like to thank Mr Southwood and his team for organising this session for us.

Thank you for all those that were able to attend the Year 9 parents evening this week. Hopefully you were able to get the information you needed not only regarding your son/daughter's progress but also to make their subject choices for next year. Please support us by completing the parent survey which has been sent out, we do look at all of the responses and use this information to inform our school development plans.

The school is always looking for ways to improve our environment so I was delighted to hear that we have been successful in our bid to the Woodland Trust. We will be receiving 200 saplings which have been selected to support native species of wildlife. I think that this is a fantastic project for the school to be involved with as they will be creating a real legacy for the school. I would like to thank Mr Whyte for giving our students this opportunity.

I would just like to mention the planned Make a Difference Day on Saturday 3rd of February. You would be very welcome for as long as you could spare. Please contact Miss Read - cread@sandhurstschool.org.uk

For the last few years now we have supported a charity football match 'A New Hope for Ethan Sellebrity Soccer match'. This year the match is due to take place on Sunday 28th January 2024 at Sandhurst FC. On Monday we will be visited by two celebrities in order to promote the match with the students. At this point in time we don't know who will be visiting us so it is all very exciting! Is it the Beckhams or the Obama's maybe? Only time will tell

Mr G Croxon
Headteacher

Headteacher's Award

Friday 12th January 2024

The winner of this week's Headteacher's Award are:

Oliver Eaton - Tutor 8Y2

The other students nominated for the Headteacher's Award are listed below:

Isabel Currie 7G1	Alexander McLean 7B1
Kieran Darby 10Y1	Adelaide Noble 7Y2
Oliver Eaton 8Y2	Bradley Nolan 10R2
Jamie Fenner 9B2	Zeya Oblein-Brown 7B1
Szymon Galaj 10R1	Riyung Rai 7B1
Harry Goddard 9G1	Oscar Randall 10G2
Daisy Goswell 10R2	Sophie Saunders 8G1
Mia Hawkins 11Y2	Eleanor Shepherd-Mogensen 7G2
Tommy Ingram 11Y1	Aleksandr Shkuropat 7Y2
Simran Jandu 7R2	Amie Kolleh Wadda 10R1
Eloise Jessup 10R1	Niamh Weavers 7Y1
Jack Maiden 7Y1	Chloe White 7B2

All of the students whose artwork appears later on in the newsletter automatically get nominated for the Headteachers Award and their name will not be included in the following list. One student will receive the Headteacher Award for Art, this winner's name and artwork is displayed at the end of the artwork.

DATES FOR YOUR DIARY

Monday 15th January	Year 9 Option Choices Window Opens
Thursday 25th January	Year 7 Subject Evening (Online)
Friday 26th January	Year 9 Option Choices Deadline
Saturday 3rd February	Make A Difference Day
Tuesday 6th February	Year 7 Citizenship Day
HALF TERM Monday 12th - Friday 16th February	
W/C Monday 19th February	Year 11 Core PPEs Begin
Thursday 22nd February	Year 9 Citizenship Day
W/C Monday 26th February	Year 13 PPEs Begin
Thursday 7th March	Year 10 Subject Evening (Online)

Iceland Visit

The potential visit to Iceland that was potentially to run in February 2025 will no longer be taking place at this time. We are looking to re-introduce the trip the following year which will be available to students in Years 10 and 11. We apologise for any disappointment that this may cause.

Mr N Marshall

SCHOOL NURSE DROP IN SESSIONS

Week B, Thursday Lunch in the SLC Reflection Room

- Bullying
- Emotional Well-being
- Stress & Anxieties
- Friendships
- Mental Health
- Drugs & Alcohol
- Smoking & Vaping
- Sex & Relationships

Its OK to ask for Help;

School Nurses are able to offer confidential advice and support should you need it. The Nurse is able to speak to you regarding any concerns you may have about your health.

If you are unable to attend the drop-in sessions, please speak to either your Head Of House or the Pastoral Office.

The School Nursing Service also offers drop in sessions or advice and guidance on healthier lifestyles!

National Youth Theatre Auditions!

I am delighted to say that we have been offered an exciting opportunity through Edgbarrow School for students aged 14 and above to audition to be part of the **National Youth Theatre**.

Auditions will take place at Edgbarrow School on **Monday 26th February** and will cost **£33.60**. If successful on the day, after completing an intake course, students will then become a National Youth Theatre Member until they turn 26. Members have access to a range of opportunities including getting involved in national productions, working with industry professionals, taking part in creative leadership training, developing their own work in the Made by Members Programmes, performing in NYT events, accessing castings with external organisations, and more. To find out more about what it's like to be a NYT Member click [here](#).

After signing up for an audition, students will also get one year of access to the National Youth Theatre Hub. As a Hub Subscriber, they gain access to online events, talks and workshops with industry professionals, and more. Find out more about the Hub [here](#).

The Audition Day will run from **9am – 5pm** on **Monday 26th February** at Edgbarrow School in Crowthorne. The day will be made up of two parts:

1. A three-hour group workshop in the morning to introduce NYT's ensemble-based way of working. This is an opportunity for students to warm up, feel comfortable in the space, and showcase how they work in a group.
2. A One-to-one audition in the afternoon, where each student will have ten minutes to perform their monologue for a NYT Associate Artist.

If you are interested in taking part please see Mr Lovejoy or email mlovejoy@sandhurstschool.org.uk by 15th January

WHOLE SCHOOL PRODUCTION

Information Meeting

It is finally time to launch our Whole School Production for this year! We would like to hold an initial information meeting in the Drama Studio on:

Wednesday 17th January at 3:00pm

to let you all know the plans for this exciting project!

If you can sing, dance or act and are interested in taking part in what will be a really fun and exciting school production then please come along to find out more - we would love to see as many of you as possible there!

The production will be open from everyone from Year 7 to 11 so get together with some friends and come along to find out all about what's going on!

A Triumph of Dedication: Year 10s & 11s Conquer the Functional Skills!

This week, the halls of our school echoed with joyous news - our Year 10 and 11 students have crushed the Functional Skills exams! Their hard work, unwavering focus, and dedication have culminated in a resounding success that deserves a standing ovation.

But this victory wasn't won in a single bound. It was forged in pure dedication, fuelled by countless practice questions and fuelled by the unwavering support of a phenomenal team. We want to extend a massive thank you to Mrs. Feiteira, Mrs. Cook and myself, whose guidance and expertise have been instrumental in shaping these students' skills. Their tireless efforts, infectious enthusiasm, and unwavering belief in their students have been the bedrock of this achievement.

And of course, a big shout out to the students themselves! You faced the challenge head-on, tackling each obstacle with admirable grit and determination. You juggled demanding schedules, and pushed yourselves beyond your comfort zone. Your commitment and resilience are truly inspiring!

This isn't just a pass mark on a paper - it's a testament to your capabilities, a springboard for future success. You've proven that you can master complex skills, navigate challenging situations, and rise above expectations. These are the qualities that will propel you forward, not just in your academic journey but in every facet of life.

So, let's celebrate the Year 10s and 11s who conquered the Functional Skills this week. You've earned this moment, and we couldn't be prouder of your achievements. Remember, the road to success is paved with hard work, and you've just smashed a major milestone. Keep striving, keep learning, and keep believing in yourselves. The future is yours, and it looks brighter than ever!

P.S. To all the students still on their Functional Skills journey, remember this - your time will come. Keep your head up, stay focused, and remember, you have a whole team of supporters cheering you on every step of the way! Congratulations once again, and here's to many more academic triumphs to come!

Mrs D Byron
English Teacher

A New Year is always an opportunity for us to take stock and reset. For some it may involve setting goals and putting plans in place to achieve those goals. For some, it may involve taking up something new, and for others, it may involve giving up things that weren't helpful.

Year 11

When I think of our Year 11s and what they will be facing in the next few months, I can think of many areas where these things might apply: some may need to put a firm study plan in place, some may need to find new ways of managing their workload or dealing with their stress. Others may need to give up certain things for a time in order to focus on securing successful exam results. It is important to remember that good grades in English give students the best chance of progressing to their chosen options after school and they should be making sacrifices now to ensure their achievement.

The English Department staff are always available to advise and support where necessary and students are welcome to have a chat with their teachers if they are needing some advice.

Some students find online tuition really helpful thus, here are some links which may assist your child with their revision:

[Mr Bruff Channel](#)

Mr Bruff is an online tutor who covers the vast majority of English topics. This is a great starting point for students who may be struggling with skills / poems etc. His explanations are clear and to the point.

[Mr Everything English](#)

This online tutor is very good for students who like to see an answer modelled for them. He is really good at talking students through key aspects of their exams. His channel is particularly useful if students have not always been focused and may need reinforcement of key ideas/ skills.

Year 10

Whilst Year 10 are not currently facing the same pressures as Year 11, it is still vital that they take their teaching and learning seriously as they are covering their GCSE exam work already.

We have finished our teaching of Macbeth and Language Paper 1 and will shortly be moving on to The Strange Case of Dr Jekyll and Mr Hyde.

It is essential that students keep up with their homework tasks as well as doing independent revision to ensure that they do not forget key skills/content. This will put them in the best position for success when they write assessments.

Hints and Tips for Revision

Start early

Getting an early start on your revision is always a good thing. The more time you allow yourself to revise, the more room you'll have to cover each subject without needing to cram. You'll have more time to practise what you need to learn and consolidate it into your memory.

Make a revision timetable

Creating a revision timetable should be your first step. This will allow you to spread out your study time evenly and avoid cramming during the days leading up to your assessments. You can also allocate more time to any subjects you're struggling with.

[Learn how to create a revision timetable.](#)

Set mini goals

Have a few mini goals you'd like to achieve by the end of each day. You can add these in when making your revision timetable. This'll give you an idea of how much revision you need to do and what's coming up. You'll avoid feeling overwhelmed and can break your study down into smaller chunks.

Mix it up

Work out which learning styles work for you. This could be visual, auditory, kinesthetic or through reading and writing. Once you have a few different revision techniques, mix up which ones you want to use so that revision doesn't become repetitive or dull.

[Read our list of 21 different ways to revise.](#)

Revise with others

You may benefit from teaching others what you know or testing them on what they know. Not only is this a great way to help your friends but you'll see where there's still holes in your own learning. Having a small study group can also be a great way to come up with unique methods for remembering key ideas.

Practice papers

Use practice papers to familiarise yourself with the format of your assessment and how questions may be structured. Time yourself to avoid getting flustered when sitting the actual assessment, and you'll be able to gauge how much time to roughly spend on each question.

Revision is only effective when split up by breaks. Don't overwork yourself and make sure you're giving your brain some space to breathe. You'll get distracted less and be able to focus for longer. Use these breaks to fit in any exercise or healthy eating, which will only improve the quality of your revision.

A productive way to spend your study break. The benefits of exercise on revision include increased focus, improved memory and the chance to readdress any hard topics with a fresh mind. A simple walk around the block can be all it takes to improve your quality of learning.

Choose healthy foods to eat during your study breaks. The quality of what you put in will dictate the quality you put out. Swapping crisps or chocolate for nuts or fruit will leave you feeling less lethargic in the afternoon and with more energy to learn. But do remember balance. You don't have to cut out your favourite treats completely. Moderation is key.

These GCSE revision tips won't be effective unless you get sufficient sleep. Prioritise getting 7–9 hours a night. Sleep is a powerful tool for not only committing what you've learnt during the day to long-term memory, but it also improves your cognitive ability to learn again the following day. You'll be better able to concentrate, and feel more motivated, after a good night's rest.

Our English Stars this week for their amazing hard work are:

Mr Houston - Alba Royle Ganuza (Year 8)

Mrs M Feiteira - Mia Hawkins (Year 11)

Mrs Probert - Aleksandr Shukropat (Year 7)

Mrs Byron - Szymon Galaj (Year 10)

Mrs Cook - Amelie Hulse (Year 7)

Mr T Riley - Jacob Curran (Year 7)

Are you in Year 10?

APPLY TO BE A SUBJECT CAPTAIN

'Mathematics is, in its own way, the poetry of logical ideas' Albert Einstein.

The Mathematics Department offers a good balance of support, as well as challenge and we encourage our students to be independent and resilient learners. We would like to give you the opportunity to become a member of our team.

We therefore seek enthusiastic, hands-on learners who are willing to take on extra responsibilities; and are capable of excelling at all challenges to join our team as Subject Captain.

Our subject captains are dedicated, and hard-working and in this role are given the opportunity to share their appreciation knowledge and skills with other students while further building your own confidence as a mathematician.

Please check your maths google classroom for the following link to apply.

https://docs.google.com/forms/d/e/1FAIpQLSesGfOo_q_w2H4f10aCR2auGK896-dMXMD8M-fvb3Mrb_aWVg/viewform?usp=sf_link

If you need additional information, please speak to Miss Stennett.

DESIGN & TECHNOLOGY Matters

This week in Year 7 Technology Club we have been building lolly stick boats.

Well done to Reuben, Charlie P, Tom, Starla, Lily and Elsie for successfully building boats that floated. Some even had paddle power.

Great job everyone.

Mrs S Rook

10C created delicious cheesecakes and panna cottas that showcase the versatility of dairy products in cooking.

FREE SCHOOL MEALS

School dinners provide a healthy, nutritious and tasty meal. Research has shown that a school dinner can improve concentration levels. Menus are changed often and can be viewed on the Bracknell Forest website.

By applying for free school meals your child could benefit from a school dinner whilst saving you money. But it's not just a free meal. When you register for free school meals and are eligible, your child's school will receive valuable additional funding from the Government, called Pupil Premium.

Universal Infant Free School Meals

In September 2014, the Government introduced Universal Infant Free School Meals. This means that all children in reception, year one and year two are eligible to receive a free school meal. Parents do not need to do anything to qualify for these meals, however if you apply for the pupil premium, your child's school will still benefit from the much needed addition Government funding.

How this additional Government funding is used by schools

This funding will be invested in your child at school. All schools will use their funding differently, for example some schools offer discounted uniform or help with school trips for those children who raise the pupil premium for their school. If you would like to know how your child's school using this funding, please contact them.

Who is eligible to claim Free School Meals or Pupil Premium?

All children in reception, year one and year two are automatically entitled to a free meal under the Governments Universal Infant Free School Meal scheme. However, those parents of children in these years that are in receipt of one of the following benefits may be eligible to raise pupil premium for their child's school.

Parents with children in year 3 upwards, in receipt of one of the following benefits, may be eligible to claim a Free School Meal for their child as well as the additional pupil premium for their child's school.

Attendance Matters!

Every Student, Every School, Every Day

Please use:

attendance@sandhurstschool.org.uk

For all attendance issues - thank you.

At Sandhurst School, we firmly believe that regular attendance is vitally important to ensure the best possible outcomes for all of our children. Regular attendance means your child can make the most of their education, thus improving their chances in adult life. Being in school will also help your child's social skills, such as making and keeping friendships. A regular and punctual attendance pattern will help your child when they enter the world of work.

To ensure your child gets the best possible start to their education, we ask that you support regular school attendance and punctuality.

We expect all parents and carers to comply with all national regulations regarding student attendance and punctuality. Absences must be reported in the morning on a daily basis to the Attendance Officer via email attendance@sandhurstschool.org.uk or by calling Reception on 01344 775678 and choosing option 1.

If your child is absent from school for a justifiable reason, e.g. illness or medical appointment, their parent/carer must email attendance@sandhurstschool.org.uk or ring school on each morning of absence. If you know in advance that your child is going to be away e.g. medical appointment, you should email as above or you can write a letter giving the reason and details. You will be asked to provide evidence of any medical appointments and leave of absence request forms are available on our school website or can be collected from Reception. All unjustified absences will be investigated.

All students **must** sign out at reception before leaving the premises. If students are returning to school later on, they must sign back in at reception. It is your child's responsibility to report to Reception at the correct time in order to be signed out as Reception staff are not able to collect students from class.

Punctuality

Students should be in their first period classroom no later than the beginning of their morning registration time (8:30am). Students will be marked in 'late' if they arrive after that start time. If students arrive late for school they must make sure that they go to the main Reception to be signed in late. Punctuality is an important expectation of students and when they are late, they will receive a 15 minute detention for that day. Consistently late students will have their detention up-scaled and brought to the attention of their Head of House.

PROSPECT IN THE COMMUNITY

Here at Prospect, we don't just sell and let homes in the local area; we are local people ourselves and love being a part of the local community. That is why we set up the Prospect Foundation to give back to the amazing community that has given us so much over the years.

In the spirit of giving back to our community, we are also reintroducing our school donations this year. When you sell with Prospect, we will donate £250 of your selling fee to a local school of your choice.

We might inform someone if we were concerned about your safety but we would usually speak to you first. Your messages are stored and can be seen by other health care staff who follow the same confidentiality rules. We aim to reply to you within one working day and you should get an immediate message back to confirm we have received your text. Texts will only be sent between Mon-Fri 9am-4.30pm. If you need help before you hear back from us contact your GP, nearest walk-in centre or dial 111. Our text number does not receive voice calls or MMS picture messages. We support messaging from UK mobile numbers only (which does not include messages sent from landlines, international mobile numbers and some 'number masking' mobile apps). To prevent the health professional from sending messages to you, text STOP to our number. Messages are charged at your usual rates.

The first phase is a road closure between the roundabout at Yeovil Road and Church Road, this is due to last for three weeks. Residents will have access to Owlsmoor Road from the Rackstraw Road end of Owlsmoor. Below is a map with the traffic management/diversion provided by SGN.

Phase three of the closure will be moved further up Owlsmoor Road to between Church Road and Copperfield Avenue. The residents will that have access via the Yeovil Road end of Owlsmoor Road, this is due to last approximately 5 weeks to complete.

Access to the school will be possible at all times, however you may need to leave earlier!
