## Weekly Review

### Year 11 Football

On Monday evening our Year 11 Football team had their County Cup Final played at Ascot United FC against Waingels. This is a competition that Sandhurst have previously reached the final in but have never won. Our boys turned up excited for a positive performance and brimming with confidence. As kick off approached, the bumper crowd were very vocal in support of Sandhurst which just heightened the atmosphere.

The match started with a high intensity which set the tone for the full 80 minutes. Neither team were allowing each other much time on the ball and contested everything all over the pitch. We had the opening chance within a couple of minutes which sailed over the bar but it gave us confidence that we could be threatening. Waingels then had a spell with the ball where they demonstrated great interchanging passing in midfield and link up play with their striker. All of which our boys successfully dealt with and nullified. After 15 minutes Jake got on the ball down the right wing, got his head up to spot Rhys in the box and delivered a perfect cross which Rhys dispatched into the back of the net. An excellent start for the boys and the crowd more than showed their appreciation of the goal. The match continued to bounce back and forth, Waingels focusing on a possession style of play with little triangles in midfield, Sandhurst hounding the ball when out of possession but playing a clever counter attacking style. Both threatening in their own right. Chances came and went for both sides, nervy moments which on another day could have turned out different. On the half hour mark, Jake made an attacking run through the heart of the Waingels defence, Shamyok hit a perfect long pass which fell into Jake's stride. A potential offside but the linesman's flag stayed down, and with just the keeper to beat, Jake slotted the ball into the net. 2-0 and Sandhurst were flying! The half finished soon after and we were halfway there.

The boys returned to the changing rooms at half time confident. All the boys were giving each other feedback and motivating speeches. Knowing they were in a great position. A simple half time team talk of "more of the same" and to keep their heads, this was ours to lose and we knew Waingels were going to come at us in the search of a goal.

The second half was very similar to the first. Possession football being Waingels preferred choice of attack and Sandhurst hunting as a team to regain possession before playing on the counter attack. With spaces being left by Waingels who were looking for a goal, we enjoyed more attacks and looked certain to score again. Erik was providing a superb foundation in goal for us as were the rest of the back line. Waingels just could not create a clear cut chance as last ditch tackles or for Erik's saves keeping them at bay. With around 20 minutes remaining, Jake played the ball into Mo who wiggled and found a yard of space to fire a finish past their keeper. Absolutely ecstatic scenes in the crowd and the boys celebrated as a team in the corner. They knew they were there. Sensible play was required for the remainder of the match to see out the result. We kept the play simple, closing Waingels down when needed but remaining compact and keeping the energy levels up.

The crowd cheered and the boys roared as the referee's final whistle could barely be heard. Sandhurst had won the County Cup for the first time ever. What a proud moment for the boys and an outstanding achievement. Every single player could be chuffed with their performance and bathing in their moment of glory. The crowd welcomed the boys over for the trophy presentation with a rendition of "Green Army, Green Army". 13 smiling, excited, proud individuals leapt for joy as Jake lifted the shield above his head and water was used as makeshift champagne.

Well done to all of the boys, a fantastic achievement by all of you. You have done yourselves proud and as a PE department and a school we congratulate you.

The team: Alfie, Jake C, Finn, Rhys, Ashley, Erik, Gabriel, Kyle, Shamyok, Leighton, Mo, Alfie and Jake W.

A recruitment poster for School Governors. It features a large photo of a woman with short grey hair, arms crossed, wearing a blue denim shirt. To her right, the text "School Governors are people like you" is written in a mix of white and black fonts. Below this, there are four smaller photos of diverse people: a woman with dark hair, a man with glasses and a beard, a woman with brown hair, and a man with a beard and a cycling helmet. At the bottom, there is a white box with the text "Interested in influencing the future of young people?" and "Want to use your skills and develop new ones?". To the right of this text is the Sandhurst School crest. At the very bottom, a blue banner contains the email address "E-mail : cread@sandhurstschool.org.uk" and the website "https://sandhurstschool.org.uk/about-us/governors/".

### Year 10 GCSE Drama Workshop

Our Drama students took part in an 'Acting for Screen' workshop this week run by MN ACADEMY of Film and Theatre.

The workshop involved students rehearsing a script whilst live streaming so they could gain understanding of how acting for film differs from acting for theatre. It was great to see how they developed their skills and gained valuable ideas in a short space of time. We have a strong cohort of Performing Arts students at Sandhurst and it was good to see them in action!

**Mrs Richardson**

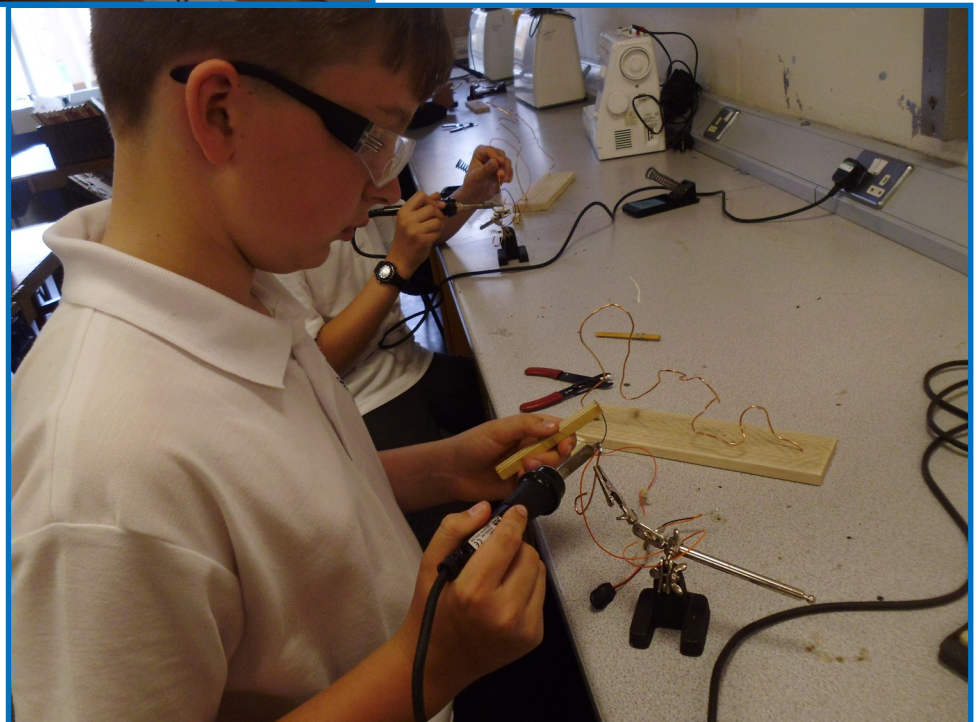

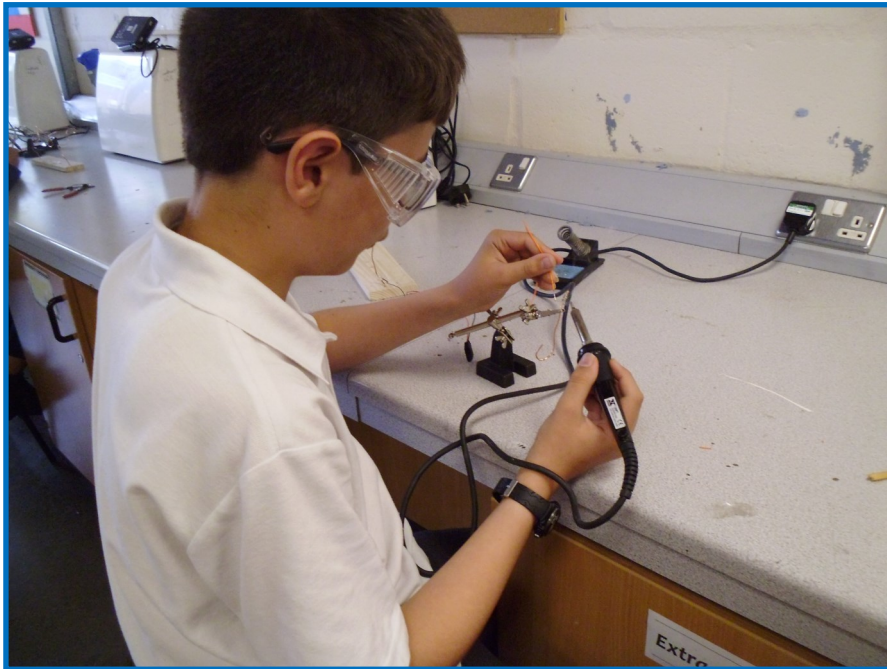

This week in Year 7 Technology Club we have been making steady hand games. We definitely needed a steady hand to solder the wires together. We got them all working in the end.

Well done team!

# Sandhurst Sixth Form

## SMALLS FOR ALL

For our Sixth from PS project, a group of us decided to look into sexual harassment within the education setting and how schools potentially deal with it, as well as how students respond and their feelings towards the education surrounding the topic.

During our research we were told about a charity that works with many African countries that collects donations of underwear and bras. It's a common belief that if women are wearing bras that they come from money. This reduces the chances of them having to face any sexual assault, seeing as they are believed to have the money to prosecute the perpetrators.

We decided as a part of our project that we would like to set up many donation spots in our school so that we could help make a difference.

**We will have 3 donation sites:**

**The Sixth Form office, the RE office and the Staff room.**

**Any donations would be kindly appreciated.**

**The donations that we are taking include:**

**New (unused) Underwear, ladies size 8-14, children aged 3-15 or men size XS-L.**

**Gently worn (laundered) bras**

**New bras of all sizes (Excluding bikinis)**
