Headteacher's Weekly Review

Tomorrow, to mark King Charles' official birthday, Number 9 Company Irish Guards will Troop their Colour in a tradition dating back to the 17th century. There will be over 1,350 soldiers of the Household Division and King's Troop Royal Horse Artillery and over 300 musicians from the Massed Bands. Trooping the Colour brings together people from all over the UK and beyond, fostering a sense of unity and national pride. One of the most spectacular parts of the celebration will be a fly-past by the Red Arrows who will also be joined by other classic aircraft. The fly-past will be over Buckingham Palace at 1:00pm but the route is due to finish over Reading so if you are in the area it may be worth a visit.

Exam season is coming to an end for most of the Year 11 and 13 students, and I am sure those few students that still have an exam, can't wait to relax with their peers!! I would like to say how proud I have been of all the students and how they have conducted themselves throughout their exams. Good luck to all for their results in August.

Year 10 students start a two week mock exams cycle next week. This is a really important opportunity to start honing revision skills and finding out what works for you so that the students can perform at their best during their final exams in Year 11. Although there is time to improve across next year a good set of results now really will provide a great springboard into Year 11 and help to secure offers from your chosen colleges etc.

We said goodbye to our Year 13 students on Wednesday as they celebrated their time at Sandhurst School. It was a fantastic evening and a fitting end to our Sixth Form. It's fair to say that the speeches were emotional and there were some very touching gifts exchanged. I would like to publicly thank Mr Marshall and his team for everything they have done over the years for our Sixth Form Students.

This week we have welcomed four PGCE (postgraduate certificate in education) students from Reading University who are running a project for some Year 6 students who will be joining us in September. Thank you to both the University students and the Year 7 helpers for making it a fun experience for the students and giving them an opportunity for a short taste of Sandhurst School.

Healthy Eating Week 2024

Healthy Eating Week is an annual event organized by the British Nutrition Foundation (BNF) to promote healthy eating habits and lifestyles across the UK.

Healthy Eating Week 2024 is all about giving it a go! The British Nutrition Foundation will be focusing on;

- Get at least 5 A DAY
- Stay hydrated
- Move more
- Focus on fibre
- Reduce food waste

As part of Healthy Eating Week 2024, during tutor time, the five areas of focus above were promoted. Additionally, a hydration station in the canteen and staff room was the central feature of the week, encouraging students and staff alike to drink more water and make healthier beverage choices.

Why Hydration Matters

Proper hydration is essential for maintaining energy levels, enhancing concentration, and supporting overall health. Dehydration can lead to fatigue, headaches, and a decrease in cognitive performance; issues that can significantly impact learning and daily activities. By focusing on hydration, we hope to instil lifelong habits that will benefit our students both in and out of the classroom.

Hajj 2024

14th - 19th June - Hajj

Hajj is an annual Islamic pilgrimage to Mecca, Saudi Arabia, the holiest city for Muslims. The annual Islamic pilgrimage to Mecca, is one of the Five Pillars of Islam and a fundamental religious duty for Muslims who are physically and financially able to undertake the journey. Occurring during the Islamic month of Dhu al-Hijjah, Hajj typically takes place once a year, attracting millions of pilgrims from around the world. The pilgrimage is a profound spiritual experience, symbolising unity and equality among Muslims as they embark on a journey of devotion, reflection, and repentance. Hajj holds immense significance in Islam, serving as a time for spiritual renewal, communal worship, and solidarity with fellow believers, transcending cultural and geographical boundaries to unite Muslims in a shared expression of faith.

14th - 19th June - Eid-al-Adha

Eid-al-Adha, also known as the Festival of Sacrifice, is one of the most important Islamic holidays celebrated by Muslims worldwide. Falling on the 10th day of Dhu al-Hijjah, the last month of the Islamic lunar calendar, Eid-al-Adha commemorates the willingness of Prophet Ibrahim (Abraham) to sacrifice his son Isma'il (Ishmael) as an act of obedience to God's command. However, before the sacrifice could be carried out, God provided a ram to be sacrificed instead. To honour this act of devotion and obedience, Muslims around the world observe Eid-al-Adha by performing the ritual of Qurbani, or animal sacrifice, typically of a sheep, goat, cow, or camel. The meat from the sacrificed animal is distributed among family, friends, and the less fortunate, symbolising charity and sharing with those in need. Eid-al-Adha is also a time for Muslims to come together for prayers, communal meals, and to strengthen bonds with family and community. It serves as a reminder of the importance of faith, sacrifice, and compassion in Islam, fostering a spirit of unity and generosity among believers.

I want to take a moment to congratulate all of our fantastic readers! This week, your hard work was rewarded with a thrilling library treasure hunt. The top class of each year group with the highest Star Reader Points (SRP) from their weekly homework earned a chance to compete.

Ms Mesley, our ever-enthusiastic librarian, meticulously crafted a series of complex puzzles that had students working together in teams. The energy in the library was electric!

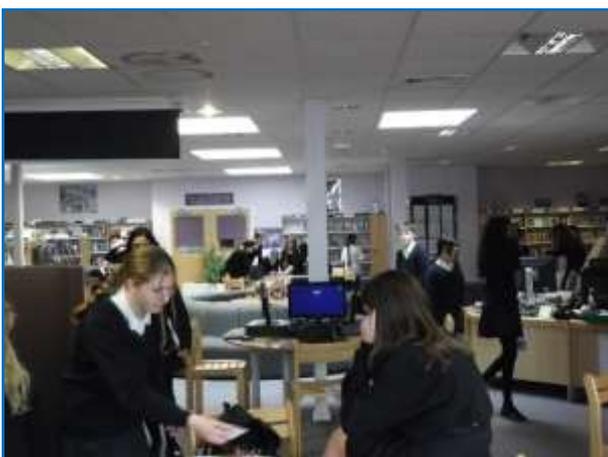

In the end, each winning class not only conquered the puzzle but also unearthed a treasure chest filled with wonderful prizes! A huge thank you to Ms Mesley for making this such a memorable and engaging experience, and well done to 7cd/En2, 8cd/En1, and 9cd/En1!

Year 10 PPEs are just around the corner, and we know you're all gearing up to showcase your hard work! This is an exciting but potentially stressful time, so taking care of yourselves is key. Make sure you are getting a good night's sleep, and do not forget to fuel your studies with healthy meals and snacks.

Do not forget there is a dedicated Google Classroom just for your revision needs. It is packed with resources and is a good stop for Language Paper 1 success. We're here to support you every step of the way, so don't hesitate to ask your teachers any questions you might have. Now go out there and conquer those papers!

Year 10 Rounders

On Tuesday Sandhurst hosted our third rounders tournament of the year and this time it was for our Year 10s. We hosted 3 schools and the team were eager to do well in their last rounders tournament of the year!

We started off strong against Ranelagh with Ella and Millie striking the ball far scoring us rounders on multiple occasions. Some excellent bowling from Saima minimised the amount of half rounders given away, excellent catches from Aditi and some amazing fielding from Ebonie and Seren led us to victory in our first game.

Onto the second game against EP. Year 10s continued their winning run in the tournament with some excellent hits and some faultless fielding from Florence and Riley.

In the last game against a strong Garth side the Year 10s knew they needed to win this game to win the tournament. We started off with some great hits but some outstanding catches from Garth gave them the lead heading into the final inning. Unfortunately Garth's batting was amazing and despite our best efforts Garth ran away with the victory.

Overall Sandhurst came a well deserved 2nd in the tournament! Well done to everyone involved!

The team: *Ella, Seren, Riley, Millie, Florence, Aditi, Ebonie and Saima* .

Final Standings:

1st— Garth

2nd—Sandhurst

3rd—Ranelagh

On 28th March 2024 Jess received devastating news of an aggressive t-cell lymphoblastic lymphoma diagnosis. Despite this challenging journey Jess has shown exceptional courage, bravery and determination to overcome and fight this disease. At just 33 Jess has so much to live for, with her biggest motivation being her family, her husband and 2 year old son. Despite their positive outlook, this time is also full of anxiety, pressure and worry. Jess's treatment plan is aggressive and will likely include a 6 month, or longer, stay in a hospital which is far from home.
