Headteacher's Weekly Review

Happy Red Nose Day! A momentous Red Nose Day too as this will be Sir Lenny Henry's final time presenting. Tonight's show will be celebrating iconic moments from the last 40 years whilst Sir Lenny has been hosting. I am certain that I will enjoy the nostalgia and a trip down memory lane. However, I am also certain that it will be upsetting when I am confronted with the horror of just how old some of those memories are!!! During the last 40 years it is thought that Red nose day has supported over 100 million people which is quite the achievement. I am delighted that we were able to raise funds for this cause today and am heartened that our school community has played a role in improving the lives of others.

I would like to say well done to our Year 7 students that represented us at the regional bake off finales. They got the chance to experience the industrial kitchens at Ascot racecourse and compete against 9 other schools. Our students received very positive feedback and should feel really proud of themselves. They may not have brought home the trophy, but they did bring back the carrot cake they made which I have to say was absolutely delicious!

Our next Make a Difference Day is on Saturday 23rd March 9:00am till 12:00pm. It would be lovely to see you there. You can just arrive on the day but if you are able to let Claire Read cread@sandhurstschool.org.uk know in advance it just helps us to plan how much of an area we might be able to paint. Any time you can contribute will be much appreciated.

Have a wonderful weekend.

17th March - St Patrick's Day

St. Patrick's Day, celebrated on 17th March, is a globally recognized Irish holiday that honours St. Patrick, the patron saint of Ireland.

While originally a religious feast day commemorating St. Patrick's death in the 5th century, the celebration has evolved into a lively and festive occasion marked by parades, green attire, and cultural events. People around the world, regardless of Irish heritage, participate in the festivities by donning green clothing, attending parades, and enjoying traditional Irish music and dance.

In Ireland, the day often begins with religious services, followed by a range of community events. St. Patrick's Day has become a symbol of Irish culture and heritage, celebrated with enthusiasm and good cheer globally.

The iconic shamrock, associated with St. Patrick's teachings are prominently displayed as a symbol of luck and good fortune during this vibrant and joyous celebration.

Neurodiversity Celebration Week - 18th—25th March

Neurodiversity Celebration Week is about celebrating the strengths and talents of people with neurological differences. It is a worldwide initiative that challenges stereotypes and misconceptions.

Approximately 15-20% of the population has a neurological difference.

Neurodiversity is often used as an umbrella term to include Dyslexia, Dyspraxia, Dyscalculia, Autism, ADHD, Tourette Syndrome.

Diversity & Inclusion

At Sandhurst School we believe that every student and staff member should feel valued, respected, and included. We recognise that our school is made up of individuals with unique backgrounds, perspectives, and experiences, and we celebrate this richness.

To further our commitment fostering a more diverse and inclusive environment within our school community, we are proud to introduce our Student Diversity and Inclusion Ambassadors program. The Student Diversity and Inclusion Ambassadors program is designed to promote awareness, understanding, and acceptance of differences within our school community.

These students who have volunteered to serve as ambassadors for diversity and inclusion are committed to creating a welcoming school environment, regardless of race, ethnicity, gender identity, sexual orientation, religion, ability, or any other characteristic.

WOMEN ^{IN} CONSTRUCTION

Women in Construction Workshop

On Tuesday a group of Year 10 Design and Technology students spent the morning at Wellington College. The purpose of the day was to give them the opportunity to think about the wide range careers in the construction industry.

They were able to talk to women who work for construction company Taylor Wimpey, and learn about the different routes into jobs. The departments represented included marketing, finance, site management, sustainability and customer relations.

During the morning students learned about different roles and then different innovations in new build houses. These ranged from thermal insulation to bee bricks which are incorporated into every new build.

Finally, there was an engineering challenge to build a bridge that could sustain a heavy weight, whilst remaining an attractive design. Our students designed a great structure, based on triangles for strength. Thanks to Wellington College for inviting us, and to Taylor Wimpey for organising the event.

Mrs Tudor

This term Year 7 students embarked on a fascinating journey, delving into the lives of influential figures of faith.

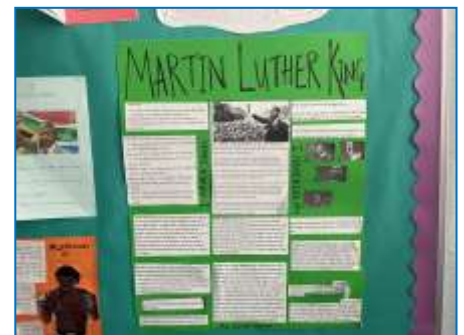

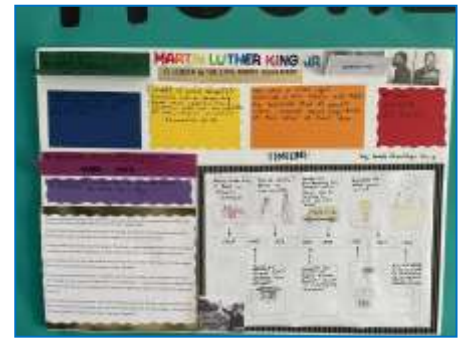

Their homework was research and showcase the impact these individuals have had on the world.

From historical icons to contemporary leaders, the chosen subjects were as diverse as the students themselves. We saw presentations on the wisdom of the Dalai Lama, the determination of Mother Teresa, and the courage of Martin Luther King Jr.

But it wasn't just about names from history books. Some students explored figures closer to home, sharing stories of inspirational religious leaders within their own families and communities.

This project wasn't just about religious figures; it was about exploring the power of faith, hope, and compassion. Year 7's impressive work serves as a reminder that even the youngest minds can be inspired by the stories of those who came before them.

ENGLISH

It's really beginning to feel that spring is on its way and for the English department that means that we are coming to the end of the programmes of study, started after Christmas, and are heading to a new round of assessments. Sometimes students worry about in school assessments forgetting that their purpose is to identify areas of weakness that can be addressed in class so shortcomings are remedied and progress made.

Year 7 are coming to the end of their virtual travels courtesy of non-fiction travel writing. Year 8 are nearly out of the woods around Athens where A Midsummer Night's Dream is set. Year 9 are coming out of the trenches following their study of WW1 poetry and the play, Journey's End. Year 10 continue to consider the overarching question of man's inherent evil as they come to the end of Jekyll and Hyde while Year 11 keep their heads buried in books and practice papers as they enter the final approach towards their GCSEs.

We're often asked what can be done at home to support progress in school; our answer is always the same: encourage reading! Research from the National Literacy Foundation shows the impact of low levels of reading, particularly reading for pleasure, on students' life chances (under performance at GCSE and less access to jobs with higher pay and better conditions are likely if students have a reading age below their chronological age) and society (it's estimated that low levels of literacy cost the UK an estimated £81 billion a year in increased welfare spending).

We know, and evidence supports, that reading independently for pleasure increases literacy skills at a greater rate than formal literacy lessons. Students who read for 20 minutes four times a week are more empathetic, more able to think independently (on a wider range of topics) and have a wider vocabulary allowing them to express themselves with more clarity and nuance than otherwise - all of this makes them less likely to suffer anxiety and mental health issues.

Teenagers can struggle to engage with reading for pleasure - no longer interested in books that they enjoyed when they were younger it can take a while for them to find something that intrigues or entertains them. However, we have a well stocked library and all English teachers have a wealth of experience in recommending something that may appeal to their more mature tastes. We will also be welcoming a new, full time librarian after Easter - I know that she will be full of recommendations and ideas.

Reading is the foundation of learning and learning and education are the most influential elements in lifelong financial security and well-being - it's also relaxing and fun!

Ascot Bake Off

Over the past few weeks, three of our budding bakers planned, prepared for and took part in the Ascot Bake-off Senior Competition.

The theme for the competition was **“A celebration of Royal Ascot with Berkshire sourced ingredients”**. With this theme in mind, students were tasked with creating and baking a tray bake.

The students made; **‘carrot cake tray bake with soft cheese icing and carrot crumble topping’**. The carrots for their tray bake was sourced locally from the newly opened Hardwicke’s Quality Fruit & Vegetables shop on Yorktown Road. They worked as a team to make the tray bake in school, then decorated the tray bake and set up their display at Ascot Race-course. After judging took place, the participants and other guests enjoyed a lovely afternoon tea.

Clara, Eva and Oliver poured their creativity into their tray bake creation, showcasing their skills and passion for baking. We commend them for representing our school with such competence and commitment. Well done!

Carrot cake traybake with soft cheese icing and carrot crumble topping

Ingredients

Cake:

200g carrots, grated
175g soft brown sugar
200g self-raising flour
1 tsp bicarbonate of soda
2 tsp cinnamon
zest 1 orange
2 eggs
150ml sunflower oil

Soft cheese icing:

50g softened butter
75g icing sugar
200g soft cheese

Carrot crumble topping:

40g caster sugar
25g butter

Equipment

Mixing bowl, small bowl, fork, wooden spoon, spatula, baking tray, 20cm square tin

Sandhurst School
the opportunity to succeed

Method

1. Line a 20cm square tin.
2. Preheat oven to 160°C Fan.
3. **Cake:** In a mixing bowl, add the grated carrots, orange zest and sugar; then sift in the self-raising flour, bicarbonate of soda and cinnamon.
4. Crack the eggs in a small bowl and beat with a spoon.
5. Add the eggs and oil to the mixing bowl with the dry ingredients and combine well.
6. Transfer the mixture to the lined tin. Place in the oven and bake for 30-35 minutes. A skewer should come out clean.
7. **Carrot crumble topping:** Rub the butter into the flour to make a light breadcrumb texture.
8. Add sugar and grated carrots and mix in.
9. Spread on a baking tray and bake for 15-20 minutes.
10. **Cream cheese icing:** melt the butter and gradually add sifted icing sugar.
11. Combine well, then stir in the soft cheese until smooth.
12. **Assemble:** When the cake is cool, spread the top with the soft cheese icing and cut into squares. Sprinkle crumble on top of the icing.

Year 8 Girls Football

The Year 8 girls football team continued their winning streak on Tuesday evening with a 1-0 defeat over a strong Newlands team.

The first half saw an early Goal from Alexa and some good passing and movement played out from the defence into the midfield and going forward, with a couple of near chances at goal. The possession and workload from both teams was good and Newlands tried on several occasions to break down the defence and to score, but the Sandhurst girls were able to deny this.

The second half remained an end to end battle with goal attempts from both teams and a special mention to player of the match Isobel who made a series of crucial saves to deny the opposition scoring and allowing us to retain the the 1-0 lead.

Well done girls, a great to start to your U13 season with 3 wins now. We have some challenging games coming up which will determine our league position. Keep and going and enjoying girls!

The team: *Isobel, Faye, Harriet, Jessie, Amber, Isla, Honey, Freya, Maisy, Alexa, Izzy, Thea*

Attendance

Does Your Child Have an Appointment?

If your child has a meeting, an appointment or a college interview, please contact us in advance as students cannot leave school without prior permission.

Please email attendance@sandhurstschool.org.uk with the following:

- Time and date of the appointment
- Reason for the appointment, e.g. Doctor, Dentist, interview.
- Time they are to be collected and the name of the person collecting, or permission to leave school and make their own way.
- Evidence of the appointment they are attending.
- The approximate time they will be returning to school.

Ms C Milam
Attendance Officer

Following a resolution to the recent outage on the till system, the school is now starting to input details of food and drink purchased over those six days and these will start to appear on your son/daughter's account over the next day or so.

Attendance Matters!

Every Student, Every School, Every Day

Please use:

attendance@sandhurstschool.org.uk

For all attendance issues - thank you.

At Sandhurst School, we firmly believe that regular attendance is vitally important to ensure the best possible outcomes for all of our children. Regular attendance means your child can make the most of their education, thus improving their chances in adult life. Being in school will also help your child's social skills, such as making and keeping friendships. A regular and punctual attendance pattern will help your child when they enter the world of work.

To ensure your child gets the best possible start to their education, we ask that you support regular school attendance and punctuality.

We expect all parents and carers to comply with all national regulations regarding student attendance and punctuality. Absences must be reported in the morning on a daily basis to the Attendance Officer via email attendance@sandhurstschool.org.uk or by calling Reception on 01344 775678 and choosing option 1.

If your child is absent from school for a justifiable reason, e.g. illness or medical appointment, their parent/carer must email attendance@sandhurstschool.org.uk or ring school on each morning of absence. If you know in advance that your child is going to be away e.g. medical appointment, you should email as above or you can write a letter giving the reason and details. You will be asked to provide evidence of any medical appointments and leave of absence request forms are available on our school website or can be collected from Reception. All unjustified absences will be investigated.

All students **must** sign out at reception before leaving the premises. If students are returning to school later on, they must sign back in at reception. It is your child's responsibility to report to Reception at the correct time in order to be signed out as Reception staff are not able to collect students from class.

Punctuality

Students should be in their first period classroom no later than the beginning of their morning registration time (8:30am). Students will be marked in 'late' if they arrive after that start time. If students arrive late for school they must make sure that they go to the main Reception to be signed in late. Punctuality is an important expectation of students and when they are late, they will receive a 15 minute detention for that day. Consistently late students will have their detention up-scaled and brought to the attention of their Head of House.

CAREERS

Could you help us with our careers activities?

We are looking for any parents/carers (or siblings, aunties, uncles or grandparents!) who can help us with our careers provision through the upcoming academic year.

We arrange a number of activities for the students, from careers talks to interview skills day and we are always keen to include our students' families in what we do.

If you are interested in signing up to help us through the year then please complete the following form.

ABOUT STEPPING STONES

The Stepping Stones programme promotes positive mental health and provides regular opportunities for young people to use creativity to build emotional resilience. The high-quality programmes are delivered by professional artists and held in Hampshire Cultural Trust venues. Joining the programme will boost confidence, communication and social skills. It is fun, can make you feel great and is a great way to meet other young people in a safe and supportive space.

WHAT'S INVOLVED IN THE PROGRAMME

In this hands-on, outdoor experience, participants will join award-winning garden designer and social media influencer Leigh Johnstone, aka The Beardy Gardener, to learn about various aspects of gardening, such as planting, nurturing and harvesting, to help transform the garden at Aldershot Military Museum into a space of calm and tranquility. Young people can expect to get dirty as each session is practical, from sowing seeds to making their own compost!

HOW TO GET INVOLVED

- To be eligible for this programme participants need to be aged 11 – 17 years.
- Bookings can be made for one-off sessions or multiple sessions in one go; we are also happy for a young person to attend one session during the Easter holidays and then decide if they want to attend future sessions.
- This programme is free of charge and all materials will be provided.

PROGRAMME LOCATION AND DATES

For Young People:

For everyone else:

We are delighted to introduce the proposed youth services strategy for Bracknell Forest which supports our children and young people's plan and early help strategy.

Bracknell Forest Council and its partners recognise the need for a clear strategy to support young people and have given their commitment to maximising the potential of this strategy.

Our vision for early help is that 'Bracknell Forest is a place where children, young people and their families feel safe, have access to high quality education and well-being services, giving them the opportunity to live healthy and empowered lives in their community' (Early Help Strategy, 2023).

The youth offer is a vital component of early help, and this strategy will provide the strategic vision for the next three years. It will support the partnership's ambitions for children, young people and their families in Bracknell Forest and is entwined with the early help strategy.

We are inviting input from young people, families and practitioners from across the Bracknell Forest, to help develop this proposed strategy and share their views of the youth service offering now and in the future.
