Headteacher's Weekly Review

As some of you will know, Mrs Probert has had her last day with us today. I would like to take this opportunity to wish her well as she moves onto pastures new.

Mrs Probert joined Sandhurst School as Teacher of English on 1st September 2015, relocating from the USA where she had grown up and had been teaching for five years.

On 1st September 2018 Mrs Probert took on the additional role of KS3 Coordinator of English and in September 2019 became Head of Gemini House.

During this time, she got married and four years ago today, started maternity leave before the arrival of her daughter.

Over the past eight and half years, Mrs Probert has brought so much to Sandhurst School supporting students not only in their studies but with great care in her pastoral role. Her contagious smile and enthusiasm will surely be missed. However Mrs Probert and her husband have been offered a wonderful opportunity to return to the USA and we wish them every success and future happiness.

Thanks you Mrs Probert, from all at Sandhurst School

Mr G Croxon
Headteacher

As many of you know, this is my last day at Sandhurst School. It's with a mix of emotions that I say goodbye to this wonderful community that has been my home for over eight years.

I've had the privilege of teaching in a hardworking and fabulous department, leading the prestigious Gemini House as a part of the phenomenal Pastoral Care Team and most importantly, teaching some most incredible students I have ever had the privilege to educate. So many moments and individuals will forever hold a special place in my heart.

My dear students, thank you for your curiosity, your laughter, and your willingness to learn. You've challenged me, inspired me, and made me a better teacher. Remember to always make good choices and do the right thing.

While I'm excited for the next chapter in my life, I'll never forget the time I spent here. I wish you all the very best in your future endeavours.

With heartfelt gratitude and many blessings,

Mrs C Probert

21st January - World Religion Day

World Religion Day, observed on the third Sunday of January each year, is a global initiative that encourages interfaith understanding, cooperation, and dialogue.

World Religion Day seeks to foster appreciation for the diversity of religious beliefs and practices across the world. On this day, people of different faiths come together to celebrate the common values that unite humanity, promoting mutual respect and understanding.

World Religion Day was established by the Bahá'í Faith community in the United States in 1950. Its purpose is to encourage people of all backgrounds to explore the teachings and principles of various religions and to promote unity and understanding among different faiths.

Prom Points

Prom Points are back! When a Year 11 student completes excellent work they can be awarded a Prom Point which is worth five points. They are also automatically entered into a weekly draw to win a free Prom Ticket. Each separate award receives an entry into the draw. This is one of the ways we recognise the hard work that our students undertake.

This week's winner is:

Imogen Andrews

CAREERS

Could you help us with our careers activities?

We are looking for any parents/carers (or siblings, aunts, uncles or grandparents!) who can help us with our careers provision through the upcoming academic year.

We arrange a number of activities for the students, from careers talks to interview skills day and we are always keen to include our students' families in what we do.

If you are interested in signing up to help us through the year then please complete the following form.

[Careers volunteer sign up](#)

If you have any questions you can contact me on choekstra@sandhurstschool.org.uk

Many thanks

Mrs C Hoekstra

A whirlwind of words and worlds within our English classrooms!

This month, our English department has been abuzz with students exploring new genres, delving into classic literature, and sharpening their writing skills. Here's a peek into what each year group has been up to:

Year 7: Persuasion powerhouses! These young wordsmiths have been honing their nonfiction writing skills, exploring persuasive techniques across different genres. From crafting letters to the editor to building compelling arguments, they're learning to present their ideas with impactful force.

Year 8: Under the Shakespearean spell! Year 8 students have embarked on a magical journey through "A Midsummer Night's Dream." They're meeting the quirky characters, untangling the tangled web of love and confusion, and immersing themselves in the Bard's unique rhythm and language.

Year 9: Time travel to the trenches! In preparation for Power and Conflict Poetry in Year 11, Year 9 has been exploring the harrowing realities of World War I. Through the moving play of "Journey's End," they're gaining a deeper understanding of the war's impact on individuals and society.

Year 10: Back to the future, Victorian style! Year 10 is taking a step back in time to uncover the secrets of the Victorian Era. This historical context will be crucial for comprehending "Jekyll and Hyde" and understanding the characters' motivations and struggles. They're also brushing up their Language Paper 1 skills and preparing for exciting new literary explorations.

Year 11: Power and conflict take the stage! Year 11 is delving into the depths of Power and Conflict Poetry, analysing poems and preparing for upcoming tests. Remember, revisiting quotes from all your literature texts and diligently practicing language papers are key to unlocking your best scores!

Everyone is working hard and should be proud of their efforts! Keep it up!

Mrs C Probert
English Teacher

Our English Stars this week for their amazing hard work are:

Mr Houston - Rory McDonald (Year 11)

Mrs M Feiteira - Isabelle Rundle (Year 10)

Mrs Probert - Ben Gutteridge (Year 11)

Mrs Patrick - Albert Dankyi (Year 10)

Mrs Angdembe - Zak Hurley (Year 10)

Mrs Byron - Harry Player (Year 9)

Mr T Robertson - Darci-Beau Curtis (Year 9)

Mr T Riley - Millie Alton (Year 7)

Are you in Year 10?

APPLY TO BE A SUBJECT CAPTAIN

'Mathematics is, in its own way, the poetry of logical ideas' Albert Einstein.

The Mathematics Department offers a good balance of support, as well as challenge and we encourage our students to be independent and resilient learners. We would like to give you the opportunity to become a member of our team.

We therefore seek enthusiastic, hands-on learners who are willing to take on extra responsibilities; and are capable of excelling at all challenges to join our team as Subject Captain.

Our subject captains are dedicated, and hard-working and in this role are given the opportunity to share their appreciation knowledge and skills with other students while further building your own confidence as a mathematician.

Please check your maths google classroom for the following link to apply.

DESIGN & TECHNOLOGY Matters

This week in Year 7 Technology Club we have been building lolly stick boats.

Well done to Reuben, Charlie P, Tom, Starla, Lily and Elsie for successfully building boats that floated. Some even had paddle power.

Great job everyone.

HOSPITALITY AND CATERING

This week Year 10 Caterers have been making enriched dough products. They produced Chelsea buns, cinnamon whirls and other variations on the theme.

Congratulations to all of them for the great products made.

Year 8 Girls Football

The Year 8 Girls football team made a fantastic start to their season, winning 8-2 against visiting Altwood school on Tuesday evening.

The girls were strong from the outset with some excellent linked passing played out from the back and into the midfield, creating some great opportunities for goal. When these opportunities arose, the forwards and midfield worked hard to break down the opposition defence and put in some fantastic shots, resulting in 7 brilliant goals and one OG.

The girls were able to show some great individual skill and confident passing as a team to keep possession for the majority of the match, only allowing Altwood two chances to score throughout, which resulted in them scoring two goals. The final score on a very cold Tuesday evening was 8-2 with all of the team playing brilliantly and coming out with a very well deserved, strong victory to start off the season.

Well done girls, a fantastic start!

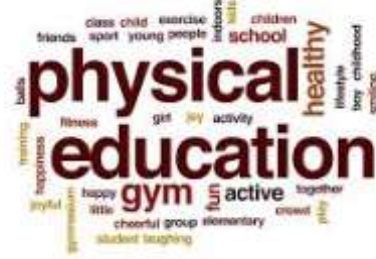

Squad: Harriet, Alexa, Isla, Honey, Amber, Izzy, Faye, Jessie, Maisie, Thera and Isobel.

Goal Scorers: *Alexa (3), Isla (2), Thea and Jessie (1)*

Year 9 Football

Result: Sandhurst 1 - St Crispin's 4

Sandhurst played St Crispin's last week in the U14 Berkshire Cup. Both teams showcased their skills and determination in a fast paced and action packed game from start to finish. Theo scored with a fantastic goal from a corner, giving Sandhurst an early lead. Continuing on from this good form, the Sandhurst midfield displayed seamless passing, while Matthew and Lucas held a strong defensive line.

Despite Fadi's brilliant goalkeeping saves, St Crispin's found their rhythm, scoring twice before halftime. Sandhurst adjusted their formation, adopting a more attacking style in an attempt to put more pressure on the St Crispin's goal. Alex, Ollie, and Charlie contributed to the dynamic play, but St Crispin's secured another goal and went on to win the match.

A commendable effort from Sandhurst, but St Crispin's proved to be a formidable opponent on the day. Sandhurst played well and now look ahead to their next match in the East Berks League.

The team were: *Samuel, Michael, Fadi, Theo, Harry, Lucas, Curtis, Matthew, Charlie, Jack, Alex, Edward, Ben, Ollie*

FREE SCHOOL MEALS

School dinners provide a healthy, nutritious and tasty meal. Research has shown that a school dinner can improve concentration levels. Menus are changed often and can be viewed on the Bracknell Forest website.

By applying for free school meals your child could benefit from a school dinner whilst saving you money. But it's not just a free meal. When you register for free school meals and are eligible, your child's school will receive valuable additional funding from the Government, called Pupil Premium.

Universal Infant Free School Meals

In September 2014, the Government introduced Universal Infant Free School Meals. This means that all children in reception, year one and year two are eligible to receive a free school meal. Parents do not need to do anything to qualify for these meals, however if you apply for the pupil premium, your child's school will still benefit from the much needed addition Government funding.

How this additional Government funding is used by schools

This funding will be invested in your child at school. All schools will use their funding differently, for example some schools offer discounted uniform or help with school trips for those children who raise the pupil premium for their school. If you would like to know how your child's school using this funding, please contact them.

Who is eligible to claim Free School Meals or Pupil Premium?

All children in reception, year one and year two are automatically entitled to a free meal under the Governments Universal Infant Free School Meal scheme. However, those parents of children in these years that are in receipt of one of the following benefits may be eligible to raise pupil premium for their child's school.

Parents with children in year 3 upwards, in receipt of one of the following benefits, may be eligible to claim a Free School Meal for their child as well as the additional pupil premium for their child's school.

Attendance Matters!

Every Student, Every School, Every Day

Please use:

attendance@sandhurstschool.org.uk

For all attendance issues - thank you.

At Sandhurst School, we firmly believe that regular attendance is vitally important to ensure the best possible outcomes for all of our children. Regular attendance means your child can make the most of their education, thus improving their chances in adult life. Being in school will also help your child's social skills, such as making and keeping friendships. A regular and punctual attendance pattern will help your child when they enter the world of work.

To ensure your child gets the best possible start to their education, we ask that you support regular school attendance and punctuality.

We expect all parents and carers to comply with all national regulations regarding student attendance and punctuality. Absences must be reported in the morning on a daily basis to the Attendance Officer via email attendance@sandhurstschool.org.uk or by calling Reception on 01344 775678 and choosing option 1.

If your child is absent from school for a justifiable reason, e.g. illness or medical appointment, their parent/carer must email attendance@sandhurstschool.org.uk or ring school on each morning of absence. If you know in advance that your child is going to be away e.g. medical appointment, you should email as above or you can write a letter giving the reason and details. You will be asked to provide evidence of any medical appointments and leave of absence request forms are available on our school website or can be collected from Reception. All unjustified absences will be investigated.

All students **must** sign out at reception before leaving the premises. If students are returning to school later on, they must sign back in at reception. It is your child's responsibility to report to Reception at the correct time in order to be signed out as Reception staff are not able to collect students from class.

Punctuality

Students should be in their first period classroom no later than the beginning of their morning registration time (8:30am). Students will be marked in 'late' if they arrive after that start time. If students arrive late for school they must make sure that they go to the main Reception to be signed in late. Punctuality is an important expectation of students and when they are late, they will receive a 15 minute detention for that day. Consistently late students will have their detention up-scaled and brought to the attention of their Head of House.

A promotional poster for a theatre production. Three actors are posed against a weathered brick wall. On the left, a young man with short dark hair sits on the ground, wearing a light grey sweatshirt and grey trousers, with his hands clasped. In the center, a woman with short blonde hair stands, wearing a dark blazer over a black top. On the right, a young woman with long blonde hair stands, wearing a white shirt under a dark jacket. The scene is lit with a mix of warm and cool tones, creating a moody atmosphere.

TEACHERS**

You may have noticed the signs informing us of upcoming gas works along Owlsmoor Road and Yeovil Road. These are due to start on 23rd October and last until March 2024.

The first phase is a road closure between the roundabout at Yeovil Road and Church Road, this is due to last for three weeks. Residents will have access to Owlsmoor Road from the Rackstraw Road end of Owlsmoor. Below is a map with the traffic management/diversion provided by SGN.

Phase two will still be between Yeovil Road and Church Road, but the roundabout will be re-opened and the closure will be on Owlsmoor Road up to Church Road and due to take around six weeks.

Phase three of the closure will be moved further up Owlsmoor Road to between Church Road and Copperfield Avenue. The residents will that have access via the Yeovil Road end of Owlsmoor Road, this is due to last approximately 5 weeks to complete.

All these timings are approximate, so they may be longer or even better, shorter.

Access to the school will be possible at all times, however you may need to leave earlier!
