

Sandhurst Weekly News

Friday 21st June 2024

Headteacher's Weekly Review

With the last of the GCSEs taking place this week, it is now the turn of the Year 10 students to sit their mock exams. I have been really impressed by the level of maturity shown by Year 10. I have heard numerous students discussing the exam papers analytically and reflecting on what has worked well for them and which areas they need to improve on before next summer. This independent self reflection is incredibly powerful and the fact that many students are able to do this ahead of Year 11 is a very promising sign. I would also like to publicly thank the exams team for all their hard work. The Year 11 exam period is incredibly complex and stressful and as soon as this ends they are required to organise the mocks for Year 10 and others. They do a fantastic job and I am incredibly grateful.

On Wednesday evening we held an information evening and welcomed the parents of our new September intake. It gave them a chance to meet their new Head of Year, Mrs Feiteira and other key members of the team. It was lovely to spend some time answering questions at the end of the meeting and we are certainly feeling really excited about next year.

This weekend the assessed expeditions for both the Silver and Bronze Duke of Edinburgh awards are taking place. They did fantastically well on their practice expedition so I have high hopes! I wish the students the best of luck and am sure they will all pass with flying colours.

We have announced later on in the newsletter that our Opening Evening for the current Year 5 students will take place on Thursday 26th September. There will also be an information evening the week before on Thursday 19th September. We would love to see parents with children who are in Year 5 at both of these events. We will also hold school tours at the start of October and parents will be able to book these in September.

The building works for our Specialist Resource Provision start next week. It has taken a lot of work by lots of people to get to this point so thank you to everyone involved. This will mean that some areas of the school will now be out of bounds which will inevitably cause some disruption. We will communicate this information to the students via their tutors on Monday

And finally, I would like to invite parents to take part in our last Make a Difference of the academic year which will take place on Saturday 13th July from 9.00am to 12.30pm. The focus will be to decorate the Maths department. If you are able to help out in anyway please let Miss Read know by emailing cread@sandhurstschool.org.uk

Thank you to everyone that has helped us this year on improving the learning environment for our students, it really does make a big difference!

Mr G Croxon
Headteacher

Governor Andrew Fisher

We extend our heartfelt gratitude to Governor Andrew Fisher who is stepping down as a governor of Sandhurst school. As an esteemed ex-student and long-term benefactor, Andrew's contributions over the past 20 years have been invaluable. His tenure as Finance Chair has been marked by his exceptional leadership, insightful guidance, and steadfast commitment to the financial health and sustainability of our school.

Andrew's deep connection to Sandhurst School, dating back to his days as a student, has been a driving force behind his tireless efforts to support and enhance our institution. His generosity, both in time and resources, has provided countless opportunities for students and has played a pivotal role in shaping the school's future. His visionary approach to financial management has ensured that Sandhurst School remains a beacon of educational excellence.

One of the most significant contributions Andrew made was his instrumental support in converting Sandhurst School to become part of the Corvus Learning Trust. This transition was a complex and demanding process, requiring astute financial oversight, strategic planning, and a thorough understanding of both the educational landscape and the specific needs of our school. Andrew's expertise and dedication were invaluable during this critical period. His ability to navigate the intricacies of this conversion and his commitment to ensuring a seamless integration into the Corvus Learning Trust cannot be overstated. The benefits of this transition are already being realised, and it has set a solid foundation for the future growth and success of Sandhurst School.

We are profoundly grateful for Andrew's service on the Local Governing Body. His wisdom, experience, and strategic acumen have been instrumental in navigating the school through various challenges and achievements. Andrew's tenure has seen numerous initiatives and improvements, from infrastructure enhancements to the implementation of innovative educational programs, all of which have had a lasting impact on our students and staff.

Andrew's dedication extended beyond the financial realm. His engagement with students and staff, even remotely, and his genuine interest in the well-being of the entire school community have exemplified the values we hold dear. He has been a mentor, a guide, and a steadfast supporter, always willing to lend his expertise and encouragement.

As we bid farewell to Andrew in his capacity as both a Governor and as Finance Chair, we acknowledge the legacy he leaves behind. His contributions will be greatly missed, but his impact will continue to be felt for years to come. The financial stability and growth that Sandhurst School enjoys today are a testament to his hard work and dedication. His efforts have not only benefited the current generation of students but will continue to provide opportunities for future generations as well.

Thank you, Andrew, for your dedication, passion, and unwavering support. Your legacy will inspire future generations of Sandhurst students and leaders. We are deeply grateful for everything you have done for Sandhurst School, and we wish you all the best in your future endeavours. Your presence has enriched our community, and your contributions will be remembered with profound appreciation and respect.

Headteacher's Award

Friday 21st June 2024

The winner of this week's Headteacher's Award are:

Athanasios Kyriakopoulos - 9G2

Jhazlyn Campoverde Piguave 9G2

Olivia Collacott 7Y2

20th June - World Refugee Day

World Refugee Day, observed on June 20th each year, is a global initiative dedicated to raising awareness about the plight of refugees worldwide and honouring their resilience, courage, and contributions. Established by the United Nations, the day serves as a reminder of the millions of individuals and families who have been forced to flee their homes due to conflict, persecution, or violence. World Refugee Day aims to advocate for the rights and protection of refugees, promote empathy and understanding, and mobilize support for those forcibly displaced from their homes. Through events, campaigns, and educational initiatives, organizations and communities around the world come together to show solidarity with refugees, amplify their voices, and work towards sustainable solutions to address the global refugee crisis. World Refugee Day underscores the urgent need for compassion, tolerance, and cooperation in providing safety, dignity, and hope for refugees as they seek to rebuild their lives and contribute to society.

24th - 28th June - School Diversity Week

World Refugee Day, observed on June 20th each year, is a global initiative dedicated to raising awareness about the plight of refugees worldwide and honouring their resilience, courage, and contributions. ENGLISH

This Week's English Adventures: Myths, Mysteries, and Exam Battles!

This week in English, our classrooms have been buzzing with a variety of exciting topics! Buckle up, because we're about to embark on a whirlwind tour of literary adventures for each year group.

Year 7: The Rise of the Heroes!

Our youngest adventurers are continuing their journey through the world of myths. They've been engrossed in the legendary tales of Hercules, exploring his twelve labours and the true meaning of heroism. They have experienced epic battles, thrilling escapades, and discussions about what it takes to be a true hero. We will continue to uncover the strengths, weaknesses, and motivations of these larger-than-life characters, all while enjoying some truly epic storytelling!

Year 8: Cracking the Code with "Stone Cold"

Hold onto your hats, Year 8s! We have continued to read the thrilling journey of Link and Shelter in Robert Swindell's "Stone Cold." This gripping story tests your reading comprehension skills like never before. We have delved into the world of fiction and non-fiction writing, learning how authors craft captivating narratives-based events. We have been transported to a world of suspense and intrigue!

Year 9: Unveiling the Mystery and Preparing for Battle

We're reaching the climax with "The Man with the Twisted Lip" by Sir Arthur Conan Doyle. Sharpen your detective skills one last time as we unravel the final mysteries surrounding this thrilling Sherlock Holmes story. But fear not, for your next adventure awaits! To prepare for your upcoming GCSE Language paper, we will be starting some exam-focused activities. Don't worry, these lessons will be full of practical tips and strategies to ensure you slay those papers like the literary detectives you are!

Year 10: Conquering the PPEs!

A big shout-out to our Year 10s who have already begun their PPE exams! We hope this week has been smooth sailing (and a little less "Macbeth"ian drama!) and wish you the very best for the remaining exams, especially English Literature on Monday. Remember, approach your studies with the determination of Dr. Jekyll, and avoid any Mr. Hyde-like last-minute cramming! Utilise the revision techniques you've learned, analyse those literary elements, and remember – you've got this!

Happy reading, writing, and conquering the literary world, everyone!

Mrs M Feiteira
English Teacher

"Conquer your mind,
and you conquer the
world."

Guru Granth Sahib

ENGLISH

Our English Stars this week for their amazing hard work are:

Mr Houston - Ruby Whitton (Year 8)

Mrs Feiteira - Elliott Mitchell (Year 10)

Mrs Byron - Jenna Mortimer (Year 9)

Mr Robertson - Lola Thurlow (Year 7)

Mr Riley - Oliver Parsons (Year 8)

Miss Maree - Harry Goddard (Year 9)

Mrs Angdembe - Thomas Young (Year 9)

June Activities - Football Reads, Mission Chaos Competition and Student Librarians

To celebrate Euro 24 we have some brand new football books in the library. Our display of *Football Superstars*, *Ultimate Football Heroes* and *Tales from the Pitch* titles has proved very popular. Students have enjoyed swapping books about their favourite football stars and learning new footie facts.

The library has been hosting a project run by PGCE students and so library lessons have been mobile for a week. During this time we have been writing short stories on a Mission Chaos theme. Students were asked to write a thrilling 100 word story full of danger, disaster and destruction. I will be selecting my favourite 10 stories for library prizes and Young Writers will also be choosing their favourite 5, from all the schools that enter. The £50 Young Writers prize money proved very motivational. All details of the competition are on the Google Library Classroom and pupils that are yet to have a library lesson, will still be able to enter.

Our current Book of the Week is a bittersweet growing up tale, *Apple and Rain* by Sarah Crossan. Apple has to navigate a tricky home life while dealing with friendship issues at school. When her absent mother suddenly returns, the excitement of it all sweeps Apple up. But does she have Apple's best interests at heart? A surprise friendship helps Apple to see how things really are.

Year 8 students who love the library, are invited to apply for a Student Librarian position. The library team consists of Ms Mesley and a few year 9 pupils. If you are helpful and kind, enjoy organising or being creative, you could contribute to making the library a great place to be. Details of how to apply are on the Google Library Classroom or pop into the library for a chat to find out more first.

Happy reading

Ms Mesley

School Librarian

YEAR 8 STUDENTS WOULD YOU LIKE TO JOIN THE LIBRARY TEAM?

Do you like
helping
others?

Do you
love books?

Are you
kind?

Do you like
organising?

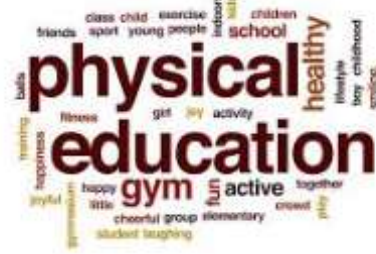

To be considered for one of our Student Librarian positions, start by joining the google library classroom and filling out an application form.

Join the Library Classroom to find out more about **Mission Chaos**, becoming a Year 8 **Student Librarian** and other library events.

d6tpuiw

Year 7 Cricket

The Year 7 cricket team played in a brilliant tournament held here at Sandhurst School last week for nine teams!

The boys were split into two teams with Ben captaining team 1 and Caiden for team 2. Each team played some nice cricket with a fantastic team effort in fielding and excellent individual skills in bowling and batting.

Ben, Owen and Jamie scored a lot of runs for team 1 as well as bowling with good pace. Shylan bowled spin to take some good wickets and keep the run rate down from the opposition. Ashvin and Max also bowled well and made good fielding catches. Jamie made an incredible slide to save a certain boundary in the match against Garth Hill.

Team 1 won two matches and came top of their pool! In team 2 Sandhurst were also playing very well. They narrowly lost by 9 runs and 4 runs in their first two games and can certainly keep their heads held high with their performance across the board.

Riyung, Oliver, Max, Robin, Leo, Caiden and Callum all displayed some excellent cricket skills and this is no doubt due to their dedication to attend the school cricket club every week!

Mr T King
PE Subject Leader

CLUBS

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

ATTENDANCE REPORTING GUIDE

What **YOU** must do:

Report your child's absence before 8.30am each day of their absence via the **STUDYBUGS** app, email attendance@sandhurstschool.org.uk or telephone the attendance office on 01344 775678.

Tell us in advance of any medical appointments and provide appointment cards, letters or screenshot of text .

What **WE** will do:

Check you child absence every day.

Contact you to discuss your child's attendance.

Invite you into school for an attendance meeting if we are concerned.

If you and your child are experiencing difficulties with school attendance then talk to us as a first step so we can help!

The image shows a screenshot of the Studybugs app interface. At the top, it says 'Studybugs' with a green plus icon, and navigation links for 'Parents', 'Schools', and 'Sign in'. Below this is a header 'Home' and 'Studybugs for Parents and Carers'. The main content area features a smartphone displaying the 'Reporting Sick' form. The form has a 'Cancel' button on the left and a 'Post' button on the right. The question 'What seems to be the problem with John?' is followed by a text input field containing 'He's in bed with measles'. Below this is a checkbox labeled 'Tell Hogwarts he's off today' which is checked. At the bottom of the form is a link for 'Absence Guidance'. To the right of the smartphone, there is a promotional text: 'A better, safer way to report when your child is sick and off school.' followed by a description of the app's benefits, download instructions for the App Store, Google Play, and Microsoft, and a 'Register Free!' button.

CAREERS

Could you help us with our careers activities?

We are looking for any parents/carers (or siblings, aunts, uncles or grandparents!) who can help us with our careers provision through the upcoming academic year.

We arrange a number of activities for the students, from careers talks to interview skills day and we are always keen to include our students' families in what we do.

If you are interested in signing up to help us through the year then please complete the following form.

[Careers volunteer sign up](#)

If you have any questions you can contact me on choekstra@sandhurstschool.org.uk

Many thanks

Mrs C Hoekstra

PROSPECT.CO.UK

PROSPECT IN THE COMMUNITY

Here at Prospect, we don't just sell and let homes in the local area; we are local people ourselves and love being a part of the local community. That is why we set up the Prospect Foundation to give back to the amazing community that has given us so much over the years.

In the spirit of giving back to our community, we are also reintroducing our school donations this year. When you sell with Prospect, we will donate £250 of your selling fee to a local school of your choice.

Sandhurst Nursery Raffle

Hello all, we are doing a raffle to raise money to help support one of our lovely mums and colleague Jess. On 28th March 2024 Jess received devastating news of an aggressive t-cell lymphoblastic lymphoma diagnosis. Despite this challenging journey Jess has shown exceptional courage, bravery and determination to overcome and fight this disease. At just 33 Jess has so much to live for, with her biggest motivation being her family, her husband and 2 year old son. Despite their positive outlook, this time is also full of anxiety, pressure and worry. Jess's treatment plan is aggressive and will likely include a 6 month, or longer, stay in a hospital which is far from home.

**Ticket prices: £2 per
strip or 3 strips for
£5**

**Prizes include

Supporting Your Children Workshops

To book a space please email your full name to Inge.Taylor@bracknell-forest.gov.uk

These sessions are universal (not specific for SEND) and for adults supporting children **not** the children themselves so **please arrange childcare if needed**

Each course is a **standalone 2-hour session** - please be aware that spaces are offered on a **first come first served basis** and parents should not just turn up

Once you have completed an enrolment form your space will be confirmed

Please only book onto the sessions if you are **going to be able to attend** to avoid other parents missing out on the opportunity to have a place or let me know if you can no longer attend.

Helping children to overcome anxious thoughts and worries.
