Friday 28th June 2024

Headteacher's Weekly Review

It is hard to believe that we only have three weeks of this academic year left. There is so much to get to before the summer holidays but I'm sure we will find a way!

On Monday we were invited to attend the Flag Raising Ceremony taking place at Sandhurst Community Centre, at Sandhurst Memorial Park. We are proud of the towns links to the British Army and were pleased to be invited to attend. Our students were a credit to the school. Please see the photos further in the newsletter.

Having completed the Year 11 exams we are now coming to the end of the Year 10 mock exams. Year 10 have been fantastic and they should feel really proud of their efforts. Now comes the turn of Year 9. This is a really good opportunity to start their GCSEs positively and confidently. Good luck to everyone!

The first phase of our building works for our Specialist Resource Provision has started. The team seems to be making rapid progress and walls are already starting to appear. This is a really exciting time for the school as I am hoping this project represents the start of the much needed investment our school site and buildings need.

Congratulations to Ben, our school chef who has won the Culinary Chef of the Year Award 2024. As someone that has spent many, many years sampling school food, I can confidently say that the quality of his work is fantastic and that this accolade is much deserved. His winning dish will be added to the school menu so the children will get the opportunity to try it too.

And finally, I just wanted to plug our final make a difference day which will take place on Saturday 13th July between 9.00am - 12.30pm. We will be focusing on the Maths department so all volunteers are very welcome. If you are able to help, whether for an hour or the full morning please let Claire Read know by emailing cread@sandhurstschool.org.uk

Have a lovely weekend.

On Monday, a group of students from Years 7-10 were selected to attend the annual Raising of the Flag ceremony at Sandhurst Memorial Ground, invited by Sandhurst Town Council.

This occasion recognises and celebrates the service that military provided for us during Armed Forces week. They also enjoyed delicious refreshments afterwards which were welcomed!

ENGLISH

Focus on Year 10:

We have now said goodbye to our lovely Year 11 cohort. We know that the vast majority gave their absolute best in their exams and we look forward to seeing their results in August.

Our Year 10s have just finished their English exams - they wrote both a Language and a Literature paper - and it is evident that many of them worked hard to prepare for this. It is vital that Year 10 students continue to revise from this point forward as they need to retain the knowledge they have until they write their GCSE examinations.

They should have a solid knowledge of the following:

- Language and structural techniques
- Ability to quote correctly
- Ability to write an extended piece of descriptive writing using the correct structure as taught in class
- Ability to craft analytical paragraphs including context and effect on the reader
- Quotes from each of the following texts: Macbeth, The Strange Case of Dr Jekyll and Mr Hyde, Lord of the Flies

It is suggested that students reread their texts (starting over the holidays) as this will definitely ensure a more secure understanding of the plots/themes and characters and keep their knowledge at the forefront of their minds.

Some good revision websites include:

<https://www.bbc.co.uk/bitesize/subjects/zr9d7ty> (Language)

<https://www.bbc.co.uk/bitesize/subjects/zckw2hv> (Literature)

<https://www.youtube.com/c/MrEverythingEnglish> (Language and Literature)

Please do encourage your child to make good use of these resources - the effort is never wasted!

Year 9 Rounders

On Tuesday Sandhurst went to Ranelagh to compete in their final rounders tournament of the year. Despite the extremely hot weather the girls were eager and excited to get started.

We started off strong against Brakenhale with some excellent strikes from Freya and Yasmin giving us valuable rounders. Some faultless bowling from Lola and excellent catches from Ivy led Sandhurst to victory in their first game of the tournament.

Onto the second game against Ranelagh. Sandhurst continued their excellent batting with Grace and Laura gaining us multiple rounders. Some accurate throws from Holly at backstop straight to Emily on 2nd prevented Ranelagh from scoring many rounders and Sandhurst continued their winning streak.

In our last game against EP Sandhurst knew they needed to win the game to win the tournament. The Year 9s worked extremely well together displaying amazing teamwork and communication skills.

Overall Sandhurst won the tournament and were undefeated throughout! This is an amazing achievement for everyone involved and a well deserved win! Well done!

The team: *Ivy, Freya, Yasmin, Laura, Lola, Grace, Holly and Emily.*

Final Results:

1st - Sandhurst

2nd - Brakenhale

3rd - Ranelagh

The form has a 'Cancel' button on the left and a 'Post' button on the right. The question 'What seems to be the problem with John?' is followed by a text input field containing 'He's in bed with measles'. Below this is a checkbox labeled 'Tell Hogwarts he's off today' which is checked. At the bottom of the form is a link for 'Absence Guidance'. To the right of the smartphone, there is promotional text: 'A better, safer way to report when your child is sick and off school.' followed by a paragraph explaining the app's benefits. Below this are logos for the App Store, Google Play, and Microsoft. A green 'Register Free!' button is prominently displayed, and a link for 'Already a user? Sign in here.' is at the bottom.

On 28th March 2024 Jess received devastating news of an aggressive t-cell lymphoblastic lymphoma diagnosis. Despite this challenging journey Jess has shown exceptional courage, bravery and determination to overcome and fight this disease. At just 33 Jess has so much to live for, with her biggest motivation being her family, her husband and 2 year old son. Despite their positive outlook, this time is also full of anxiety, pressure and worry. Jess's treatment plan is aggressive and will likely include a 6 month, or longer, stay in a hospital which is far from home.

Supporting Your Children Workshops

To book a space please email your full name to Inge.Taylor@bracknell-forest.gov.uk

These sessions are universal (not specific for SEND) and for adults supporting children **not** the children themselves so **please arrange childcare if needed**

Each course is a **standalone 2-hour session** - please be aware that spaces are offered on a **first come first served basis** and parents should not just turn up

Once you have completed an enrolment form your space will be confirmed

Please only book onto the sessions if you are **going to be able to attend** to avoid other parents missing out on the opportunity to have a place or let me know if you can no longer attend.
