Weekly Review

It has been another very busy week at school with our teachers continuing to go above and beyond to provide enriching and exciting educational experiences for the students.

Thank you to Mrs Tudor and her team who organised a wonderful trip to Marwell Zoo for Year 8. A fun day was had by all and although many were tempted, no animals were smuggled home in back packs!

This has been a busy week for the PE department who, as well as running a sports transition event for Year 5 students, have also organised sports tournaments for students in Years 7, 8 and 9. The competitive spirit has been wonderful to see and we look forward to hearing the results in the end of term assembly.

The Geography department has today taken a large group of Year 10 students to do fieldwork research at Calshot Spit. Hopefully they have nice weather for their trip to the beach.

Students in Years 9 and 10 have been doing their PPEs (pre-public exams) this week so there have been a few worried faces around the place. Best of luck!

Also, this time of year is, sadly, a time for goodbyes. Simon, our Cucina chef has sadly left to take up a new position. We were very sorry to see him go and we wish him the best of luck for the future. We are pleased to welcome Chef Victor to the school in Simon's place.

Last Friday a group of staff joined Mr Marshall at the Bird in Hand pub to bid farewell to our Year 13 students who have now finished their exams. It has been wonderful working with Year 13 for the last 7 years and to see them grow and develop into the fantastic young adults they have become. They have made such a wonderful contribution to our school and we will miss them.

Similarly, last night we held the Year 11 Prom at the Pine Ridge Golf Club. Students arrived in a range of innovative modes of transport, including a 1940s army jeep complete with soldiers and a classic car accompanied by 30+ motorcycle outriders! The noise was deafening! All the Year 11 looked amazing and a wonderful time was had by all as they danced the night away and discovered the Prom award winners. Congratulations to Finn and Louisa who were voted the Prom King and Queen. It was a wonderful atmosphere and a fitting celebration of all they have achieved. We congratulate all our Year 11 and 13 students on the successful completion of their exams and wish each and every one of them the very best for the future.

Photos of these events will be featured in next week's newsletter.

Lastly, best of luck to the students doing the Duke of Edinburgh Bronze and Silver assessed expedition this weekend. We hope the weather stays nice for your trek and time under canvas!

Have a wonderful weekend everyone.

CAREERS

Are you interested in learning more about the way law works in the UK?

The Model Law Commission is opening applications to their three-month long project that provides A-Level students with the chance to simulate the work of the Law Commission.

Students are split into four groups, each tasked with the reform of one of the following areas of law:

- Family, Trusts or Land Law
- Criminal Law
- Commercial and Common Law
- Public Law

From October to December, you will undertake a five-stage process:

- research
- formulating recommendations
- consulting with your peers
- reporting on their proposals
- devising their legislation

The Model Law Commission begins with a two-day conference. It is over the course of these two days that students are introduced to their respective topics by experts in the field who come from all over the country to speak to them. The students are also visited by individuals from the Law Commission itself who advise our students on the difficulties in reforming the law and how to write a law reform report. The students then take that information and over the following weeks discuss reform ideas with each other, their group Leaders and their peers.

The project then concludes with a final report launch event in December, hosted by MPs and visitors from the Law Commission. In advance of the event, each student will receive a printed and published copy of their group's reform report.

If you are interested in learning more about the way law works in the UK, the way it is made and changed and in fair access to justice for everyone, then you are strongly encouraged to apply.

The project will take place between October and December 2022 on the following dates via Zoom:

- Weekend conference: 10am to 4pm on Saturday 8th and Sunday 9th October
- 6pm to 8pm on Thursday 13th October
- 6pm to 8pm on Thursday 20th October
- 6pm to 8pm on Thursday 27th October
- 6pm to 8pm on Thursday 3rd November
- 6pm to 8pm on Thursday 10th November
- 6pm to 8pm on Thursday 17th November
- 6pm to 8pm on Thursday 24th November
- 6pm to 8pm on Thursday 8th December
- Final event: 6pm to 8pm on Thursday 15th December

This programme will be run remotely via Zoom and is open to students across England and Wales. To apply, please complete a brief application form by clicking [here](#). The deadline for applications is **1pm on Friday 16th September**.
