Headteachers Weekly Review

Last week I wrote about the inspirational moments I had watched on television over the previous weekend. This week my TV moment of the week was when the two terrified Chihuahuas were finally adopted and sat in blissful contentment on their new owners knees.

The rest of the news has been quite bleak and the news items from inside the House of Commons with insult throwing, name calling and 'banter' has been quite vile. They could all have learned a lesson or two from our wonderful Year 7 students whose knowledge on the way to treat others was of course not surprising but heart warming nonetheless. Perhaps a Citizenship Day is needed for some MPs. Year 7 students were also fantastic during their CATs.

We also, as you will read later in the newsletter, had a successful Citizenship Day for Year 9, the Drugs Dog proved to be the highlight of the week!

We spend quite some time working out the best way to be able to offer varied curriculum opportunities. Whilst many outside school are back to normal we do have to consider carefully how to provide these experiences and be mindful of local guidance.

Visits are back on the cards and the Sixth Form visit to support New Beginnings, a local charity to support those who are homeless, once again demonstrates the desire of our students to be kind and compassionate towards others.

My thanks to all the staff whose efforts to organise these visits and opportunities are certainly appreciated and this includes the PE staff who work so hard to book fixtures with other schools.

It is hard to believe we only have three weeks left in our school year. This time last year our Covid cases were really high and we had to begin closing year groups, first Year 11 and then Year 10. Then for all of us Christmas was all but cancelled.

I know, as I meet regularly with other headteachers in both primary and secondary, that in some schools cases are high in other parts of the country. Year groups are being asked to work from home. We have 11 cases today and a handful of PCR's still to come back.

I want to thank you all for your continued support.

Attendance Matters!

Every Student, Every School, Every Day

At Sandhurst School, we firmly believe that regular attendance is vitally important to ensure the best possible outcomes for all of our children. Regular attendance means your child can make the most of their education, thus improving their chances in adult life. Being in school will also help your child's social skills, such as making and keeping friendships. A regular and punctual attendance pattern will help your child when they enter the world of work.

To ensure your child gets the best possible start to their education, we ask that you support regular school attendance and punctuality.

We expect all Parents and Carers to comply with all national regulations regarding student attendance and punctuality. Absences must be reported in the morning on a daily basis to the Attendance Officer via email kmarshall@sandhurstschool.org.uk or by calling Reception on 01344 775678 and choosing option 1.

If your child is absent from school for a justifiable reason, e.g. illness or medical appointment, their parent/carer must email kmarshall@sandhurstschool.org.uk or ring school on each morning of absence. If you know in advance that your child is going to be away e.g. medical appointment, you should email as above or you can write a letter giving the reason and details. You will be asked to provide evidence of any medical appointments and leave of absence request forms are available on our school website or can be collected from Reception. All unjustified absences will be investigated.

All students must sign out at reception before leaving the premises. If students are returning to school later on, they must sign back in at reception. It is your child's responsibility to report to Reception at the correct time in order to be signed out as Reception staff are not able to collect students from class.

Punctuality

Students should be in their first period classroom no later than the beginning of their AM registration time (8:40am). Students will be marked in 'late' if they arrive after the start time provided on their timetable. If students arrive late for school they must make sure that they go to the main reception to be signed in late. Punctuality is an important expectation of students and when they are late, they will receive a 15 minute detention for that day. Consistent late students will have their detention upscaled and brought to the attention of their Head of House.

RELIGIOUS EDUCATION

Year 7s had been tasked with creating pieces of homework which show the development of religion. Homework varied from posters, poems, songs, games and even cake! Well done Year 7.

Year 10/11 Bracknell Forest Netball Tournament

The Year 10 and 11 girls' netball teams continued the success of the Sandhurst school sports squads in the latest netball tournament hosted at Brakenhale school yesterday.

Year 11 team won all 4 of their games comfortably, making them first place Champions with victories over two very strong Brakenhale teams, a very physical Kings team and our own year 10 team, who too were fantastic! The girls displayed superb skill and determination on the court and ever single player gave their all. Special mentions to Gabbie for her dominance in play and to both Victoria and Kayleigh for their faultless shooting. Captain Darcie did a fantastic job of organising and encouraging the team throughout.

Squad: Darcie, Victoria, Kayleigh, Gabbie, Freya, Scarlett, Eleanor, Lucie, Emily.

The Year 10 squad played brilliantly with 2 clear wins and 2 losses (against 2 strong year 11 teams), placing them third in a tournament overall! The girls worked fluidly as a team and the passing made them tough opposition. Special mention to Amy who captained the team confidently and was strong in the centre of the court. Also to Ava and Prasamsha who made the job of the opposition a difficult one with their strong defence.

Squad: Amy, Isobel, Emily, Ava, Prasamsha, Lillia, Lucie, Scarlett, Emily, Eleanor.

The attitude , teamwork and encouragement from all girls both on and off the court was superb. It was great to see them playing netball and enjoying it. The smiles said it all. Well done girls!

Bon travail! Gut gemacht! Buen trabajo !

The language department would like to nominate the following students this week ...

Ms Mc Geever would like to nominate Victoria from her Year 11 French class. I am BEYOND impressed with Victoria's hard work and progression this year. She has really pushed herself and this is reflective in the amazing grades she is getting. She should be so proud of her achievements and I am so excited to see how much more she can push herself!

Mr Doree would like to nominate Finn from his Year 10 French class. Finn always works really well in German and takes part with enthusiasm. He has recently spoken very proficiently on the topic of school in German. Well done Finn.

Ms Dris would like to nominate Mia from her Year 8 Spanish & French class. Mia is an exceptionally hard-working student who took on the challenge to study 2 languages this year. Despite it being demanding at times, she always tries and gives it her best every single lesson. Her attitude is perfect and thanks to all her efforts, her Spanish is coming along beautifully. Bien hecho Mia.

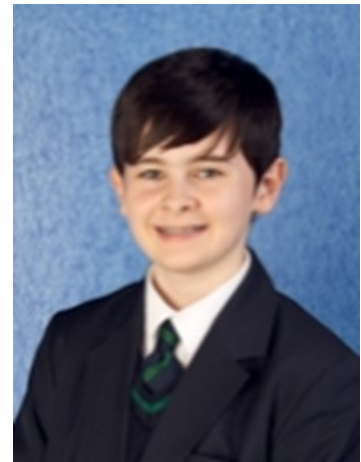

Student Profiles

We ask our stars of the week what their favourite thing about learning a language why they are important to learn!

Finn

My favourite thing about German is learning about the culture.

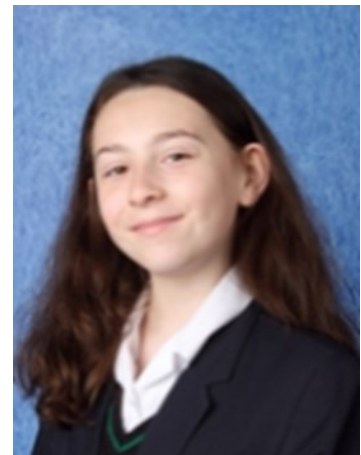

Learning a language is important as it opens up a lot of avenues for work and for trips abroad!

Mia

Languages are important to me because I would love to be able to speak a different language when I visit the country it is native to.

I like Ms Dris's methods of teaching us, it helps us remember by making it more fun.

LANGUAGENUT LEADERBOARD

Well done to our 3 Sprachenstars this week... Lucy C, Diwas G, Libby V-E! Bravo!

IN MFL THIS WEEK

Miss Dris' Year 8 French and Spanish class

My Year 8 double linguists have been working extremely hard this year, taking up Spanish in addition to their study of French. To make learning a little bit easier they played a variety of languages games this week, including a game of bilingual memory where they had to match the Spanish cards to their English and French translations.

They did really well and had a lot of fun!

Miss McGeever's Year 9 French class

Recently my Year 9s have been practicing their conversation and we made a restaurant setting. The students pretended to be both customer and waiter, we will soon be able to go to France and have some dinner!

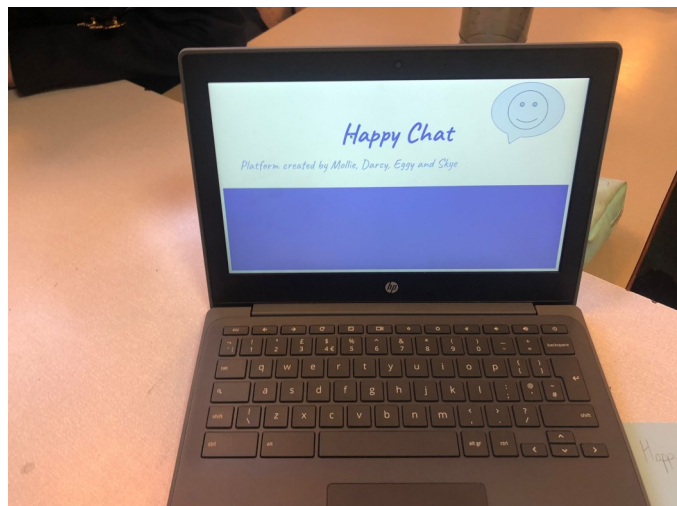

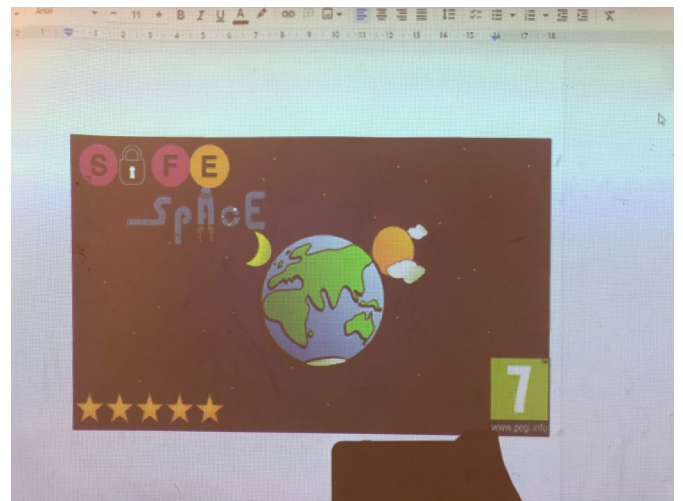

Year 7 Citizenship Day – Anti-Bullying

The Year 7 students had their first Citizenship Day on Tuesday 16th of November. The theme for the day was 'Anti-Bullying' where students took part in various workshops in which they discussed the different types of bullying. This is a very important day in the calendar for the Citizenship Department as students learn about how it feels to be bullied and consider issues why individuals might bully. One of the highlights of the day was the internet safety workshops on cyber-bullying which is a major concern in today's world. Within this session students were asked to create their own Bully free online platform. All staff involved commented on how passionate the students were about promoting kindness and about keeping our school free from bullying. Thank you to all staff involved and to the students for their outstanding engagement in all activities.

Miss Montgomery

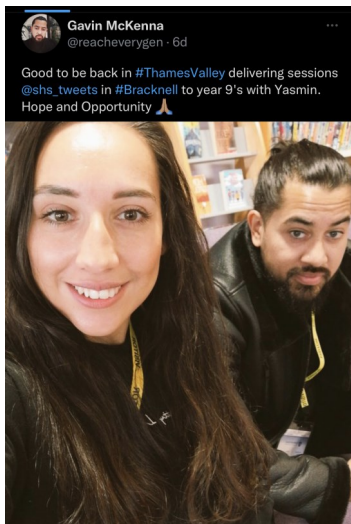

Year 9 Citizenship Day – Substance abuse

The Year 9s took part in their first Citizenship Day on Thursday participating in workshops based around the theme of Substance Abuse. The day included talks from Gavin McKenna who owns 'Reach Every Generation'. Gavin brought reality to the students about getting involved in gang culture and drugs. His talk was extremely inspirational, discussing his journey of a traumatic childhood, insecurities, low self-esteem, no hope and lack of opportunities. He then provided the students with the hope that it is never too late to turn your life around. It was impressive to see the students so engaged asking lots of important questions and interacting with his story. Another workshop that the students really enjoyed was a talk from the ICTS. A former Thames Valley Police officer John delivered an educational assembly relating to drug awareness alongside the provision of a dog team. The students found it fascinating watching the dogs detect hidden substances as well as hearing very important information around drugs and the law.

This was a great day to watch Year 9 engage so positively with all workshops and guest speakers. Well done to all involved.

If your child has to use a Pink IOU Lunch Card, due to insufficient funds on their Scopay account, you will be notified that they've used one and asked to top up the account. Once the account is in credit then the charges from the pink cards will be applied to the account, these will appear on the account even though no purchase has been made.

Chef

As well as after school snacks, Cucina are now serving breakfast for students from 7.30am - 8.30am.

There's a good selection of items from bacon/sausage baps, toast with lots of different spreads, pastries, fruit pots, yoghurts and cereals.

Sandhurst Sixth Form

On 17th November the Sixth Form Enrichment class took a visit to the homeless charity New Beginnings in Reading. The charity works to prevent and give relief for poverty in Reading and the Greater Berkshire area. They provide clothing, food, essential items, temporary accommodation amongst other things. The students were tasked with sorting out the donations from the Reading Festival. These included pop up tents, sleeping bags and mattresses. We arrived and were confronted with a large room crammed with donations that needed to be sorted through, checked and repacked ready to give out to those in need. After two and a half hours of hard work the students could finally see the floor of the room. Refolding the pop up tents and repacking them into bags proved to be a challenge but one that did not defeat us. The charity was incredibly grateful for the time and effort the students showed and they are now able to start handing out bedding and tents which are much needed in these winter months. The enrichment group are now looking to collect donations of goods for the charity and are also organising a Christmas Outdoor cinema to raise money and awareness.

Sandhurst Sixth Form

All are Welcome

I have been listening to BBC Radio One's Minute of Me: Environment Special'. I was inspired by the stories from the young people. They voiced their concerns about the environment but also offered hope and a fresh insight into the issue by talking about the contributions they were making to build a better future.

So I would like to launch our 'Minute of Me' but based on either of our school themes:

"Proud to be me"

"Hate has no home here"

Students need to send me a voice or video recording that is one minute in length, on either "Proud to be me" or "Hate has no home here".

Maybe you wish to share your hopes for a more equal society or tell us about how you have tried to make a difference to others.

Maybe you wish to use this opportunity to be courageous and open up about yourself or tell us about what changes you would like to see in the school/wider community.

You could include what motivates you or who has inspired you to be a better person.

How to submit:

If you record your entry on your phone then upload it to your Google Drive (You may need to install the Google Drive app if you haven't already got it) Once uploaded share it with me, jjones@sandhurstschool.org.uk

Or

You can share it with your tutor who can upload it straight into the 'Minute of Me' Folder by using the link on the Sandhurst School Website.

Deadline is : **Friday 10th December 2021**. Make sure your **FULL NAME** is on your entry.

The winning entries will be published on the school website and made available for students to listen to. All winning entries will also receive a BOOK from Penguins 100 books of authors of colour and culture including the biographies of both Michelle and Barack Obama. A tutor prize will be awarded to the tutor group with the most entries.

Good luck and if you have any questions please see me (Miss Jones) in the RE office.

The Sandhurst School Family Vegetarian and Vegan Recipe Book

The inspiration for this book came whilst I was travelling back from Scotland on 29th October 2021. The weather was horrendous; there was extremely heavy rain through southern Scotland into the Border Region and down into Cumbria and the Lake District. Towns were closed off and so alternative, more scenic routes were impossible for traffic and the motorway was the safest route. This was going to be a long drive. All the way down the motorway I observed, on the North-bound side, the nose to tail traffic from Birmingham to Glasgow with very little let up for these travellers. I was feeling rather pleased that I was heading south. I knew, however, that those heading north in that awful weather were very likely to be heading to Glasgow for COP 26. Their commitment and determination to take part in something that could make a difference to our planet meant that whatever the weather was throwing at them, they were not giving up.

I can't ignore the fact that how we currently live our lives has such damaging effects on our planet and as I am expecting the birth of my first grandchild, I pledged (to myself) to do my bit to help change. I am already environmentally aware and do lots of recycling and walking but I know I can do more. I have made a concerted effort to walk to work this term but if I'm honest I'm not sure I'll do it if it rains!! but whilst it isn't, I will. However, I know I need to and want to do more.

My daughter and I are already pescatarian but I am aiming to bring more vegetarian dishes into our repertoire. My eldest son is a chef and so I looked to him to give us some inspiration for some family meals and some quick meals and lunches for just one or two people. These recipes will form part of a recipe book with two important causes in mind; that of the environment and consequently the future of our planet and to raise money for charity.

I personally have been affected by tachycardia (irregular heart beat) and my Mum by a stroke and so I hope to raise money for the British Heart Foundation and the Stroke Association and of course for our School Charity, Reaching Rwanda. I hope to publish this recipe book and sell it at a reasonable cost which will benefit us all.

I am also delighted that our catering department will help me in this endeavour and we would be very pleased to receive your recipe contributions for which you will be given credit to be included in this school recipe book.

We need desperately from you please and typewritten if possible, original recipes as I do not want to be accused of plagiarism.

Please specify the following: Soup, Main Meal, Dessert, starter etc
Vegetarian or Vegan

Name of the Meal

Preparation and cooking time (the lower the better)

Number of people the recipe serves

Ingredients and alternatives where applicable

Method including oven temperatures

Cost per person if possible £

How it works

It's simple - choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes with a **jackpot prize of up to £25,000!** One of our supporters will win a cash prize every week. Tickets cost just £1 per ticket per week and 40% of all ticket sales are donated to your school.

Draws are conducted every Saturday at 8pm and results are posted online. Winners will be notified via email and the winnings will be paid straight into an account of their choosing.

The easiest and quickest way to join our lottery is online where you can set up your payment either by direct debit or one off payment card. Alternatively, set up can be done over the phone using the contact details below.

It's so easy to join and you could make a real difference to your school.

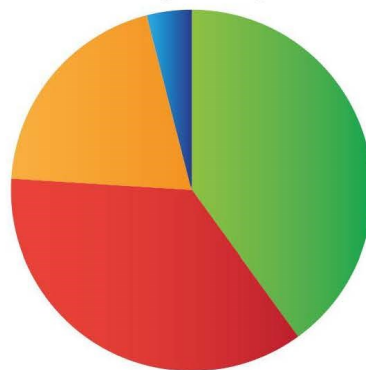

The maths...

100 tickets sold means
= **£30** a week cash prize
= **£2,080** a year for your school

Where does your money go?

Tickets cost just £1 per week

- 40p** goes directly to your school
- 36p** goes towards lottery winner's cash prizes
- 20p** goes towards lottery administrative costs
- 4p** for VAT
