

Bracknell Forest Policy

COVID-19 school closure arrangements for Safeguarding and Child Protection at Sandhurst School

30th March 2020

School Name: Sandhurst School

Policy owner: Debbie Smith (Safeguarding Our Schools Team Manager)

Date: 30th March 2020

Date shared with staff: 2nd April 2020

Date shared with Parents & Carers : 3rd April 2020

1. Context

From 20th March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend.

Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

This addendum of the Sandhurst School Safeguarding and Child Protection policy contains details of our individual safeguarding arrangements in the following areas:

1. Context	2
3. Vulnerable children	3
4. Attendance monitoring	4
5. Designated Safeguarding Lead	5
6. Reporting a concern	5
7. Safeguarding Training and induction	6
8. Safer recruitment/volunteers and movement of staff	7
9. Online safety in schools and colleges	8
10. Children and online safety away from school and college	9
11. Supporting children not in school	9
12. Supporting children in school	9
13. Mental Health	10
14. Peer on Peer Abuse	10
15. Support from the Local Authority	10
16. Links to Government Guidance	11

Key contacts

Role	Name	Contact number	Email
Designated Safeguarding Lead	Samantha Hunt	01344 775678	shunt@sandhurst.bracknell-forest.sch.uk
Deputy Designated Safeguarding Leads	Bea Simmons Ben Laws	01344 775678	bsimmons@sandhurst.bracknell-forest.sch.uk blaws@sandhurst.bracknell-forest.sch.uk
Trust or LA Safeguarding Manager	Debbie Smith		Debbie.smith@bracknell-forest.gov.uk
Safeguarding Governor / Trustee	Jan Edwards	01344 775678	jedwards@sandhurstschool.org.uk

Vulnerable children

Vulnerable children include those who have a social worker and those children and young people with an education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Sandhurst School will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-

after and previously looked-after children. The lead person for this will be: Samantha Hunt

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at increased risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and Sandhurst School will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, Sandhurst School or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Sandhurst School will encourage our vulnerable children and young people to attend a school, including remotely if needed.

Attendance monitoring

Local authorities and education settings do not need to complete their usual day-to-day attendance processes to follow up on non-attendance.

If Sandhurst School has any children in attendance (e.g. because they are vulnerable or their parent(s) / carers are critical workers) we will submit the daily attendance sheet to the DfE by 12 noon -

<https://www.gov.uk/government/publications/coronavirus-covid-19-attendance-recording-for-educational-settings>

The school will use the Excel Spreadsheet provided by the department to record attendance. This form will then enable the completion of the Department's daily 'webform' that will send aggregated data back the Department for tracking purposes.

The excel spreadsheet is then sent to the Local Authority daily for monitoring.

If the school has closed, we will complete the return once as requested by the DfE.

Sandhurst School and social workers will agree with parents/carers whether children in need should be attending school – Sandhurst School will then follow up on any student that they were expecting to attend, who does not. Sandhurst School will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

To support the above, Sandhurst School will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, Sandhurst School will notify their social worker.

Designated Safeguarding Lead

Sandhurst School has a Designated Safeguarding Lead (DSL) and two Deputy DSLs.

The Designated Safeguarding Lead is: Ms Samantha Hunt

The Deputy Designated Safeguarding Leads are: Mrs Bea Simmons and Mr Ben Laws

The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case, a trained DSL (or deputy) will be available to be contacted via phone or online video - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader will assume responsibility for co-ordinating safeguarding on site.

This might include updating and managing access to child protection and safeguarding records including any online management system. They will liaise with the offsite DSL (or deputy) and as required liaise with children's social workers. This may include providing access for social workers to see children in school as part of an assessment or required contact.

It is important that all Sandhurst School staff and volunteers have access to a trained DSL (or deputy). On each day, the staff on site will be made aware of who that person is and how to contact them.

The DSL will continue to engage with social workers, and attend all multi-agency meetings on a remote basis.

Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes making a report via electronic systems where appropriate, which can be done remotely.

In the unlikely event that a member of staff cannot access their electronic system from home, they should email the Designated Safeguarding Lead and Headteacher. This should be followed up with a phone call to ensure that the concern is received.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should follow the usual process to report the concern to the Headteacher. If there is a requirement to make a notification to the Headteacher whilst away from school, this should be done verbally and followed up with an email to the Headteacher.

Concerns around the Headteacher should be directed to the Chair of Governors:
Mrs Jan Edwards

Safeguarding Training and induction

DSL training is very unlikely to take place whilst there remains a threat of the COVID 19 virus.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL will communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter Sandhurst School, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:-

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

The school will seek confirmation that the member of staff has received appropriate safeguarding training.

Upon arrival, they will be given a copy of the receiving schools child protection policy, confirmation of local processes and confirmation of DSL arrangements.

Safer recruitment/volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Sandhurst School will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:-

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

Where Sandhurst School is utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

Sandhurst School will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

Sandhurst School will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing Misconduct.Teacher@education.gov.uk

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, Sandhurst School will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

Online safety in schools and colleges

Sandhurst School will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where students are using computers in school, appropriate supervision will be in place.

Children and online safety away from school and college

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Online teaching should follow the same principles as set out in the school code of conduct.

Sandhurst School will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

In the interests of safeguarding, the following guidelines must be followed when delivering virtual lessons, especially where webcams are involved:

- Only use the Google Hangouts system
- Any student misusing this system can be blocked. R Jackson and J Southwood should be notified in this instance.
- Students can be muted so they cannot be heard
- Virtual lessons should not be delivered to single students. Only group lessons are appropriate.
- All online lessons should be recorded. Students should be notified and the time and date will be shown. The video is stored automatically in the staff Google Drive and must be kept for safeguarding purposes.
- The video will capture student attendance and will therefore act as a register of attendance if needed.
- Live classes should be kept to a reasonable length of time.
- Language must be professional and appropriate, including any family members in the background.

Supporting children not in school

Sandhurst School is committed to ensuring the safety and wellbeing of all its Children and Young people.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they will ensure that a robust communication plan is in place for that child or young person.

Details of this plan must be recorded on the child's safeguarding file, as should a record of contact made.

The communication plans can include; remote contact, phone contact, door-step visits. Other individualised contact methods should be considered and recorded.

Sandhurst School and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly (at least once a fortnight) and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website and social media pages.

Sandhurst School recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of students and their parents/carers. Teachers at Sandhurst School need to be aware of this in setting expectations of students' work where they are at home.

Supporting children in school

Sandhurst School is committed to ensuring the safety and wellbeing of all its students.

Sandhurst School will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to student ratio numbers are appropriate, to maximise safety.

Sandhurst School will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

Sandhurst School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on the school's safeguarding system.

Where Sandhurst School has concerns about the impact of staff absence – such as our Designated Safeguarding Lead or first aiders – we will discuss them immediately with the Local Authority Safeguarding our Schools Team.

Mental health

Negative experiences and distressing life events, such as the current circumstances, can affect the mental health of students and their parents. We as a school are aware of this, in particular when considering setting work for students where they are at home.

For those students where we are already aware of mental health difficulties, we are monitoring these closely and keeping in regular contact.

Where there are emerging mental health difficulties, we encourage parents and carers to share this information with the school in order for us to assess how we may be able to support and advise.

Peer on Peer Abuse

Sandhurst School recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multi-agency partner required to ensure the safety and security of that young person.

Concerns and actions will be recorded on the child's safeguarding file and appropriate referrals made.

Support from the Safeguarding our Schools Team (Bracknell Forest)

The Bracknell Forest Safeguarding Our Schools Team will provide support and guidance as appropriate to enable the DSL to carry out their role effectively.

This includes the cascading of guidance, remote meetings with senior leaders as required, telephone and email contact.
