13th October 2020

Dear Parent/Carer and Student,

Re: Sixth Form Open Evening 2020

I am writing to inform you of a change to the calendar this academic year. Unfortunately, due to the current circumstances, we are unable to invite parents and students to attend the Sixth Form Open Evening as we would usually do. At this event you would normally hear about the opportunities that Sandhurst Sixth Form has to offer students and be able to discuss individual courses with teaching staff and current Sixth Form students.

In place of this event, I will be speaking to small groups of Year 11 students during week beginning 19th October. The talk will cover many aspects of Sixth Form life, academic pathways, how we prepare students for the future, extra curricular activities, student destinations, results and subject specific information for new courses available in the Sixth Form.

From Friday 23rd October, the virtual open evening presentation will be available via the Sixth Form page on the school website. The new prospectus for 2021 entry is now available in the same location along with our on-line application form. <https://sandhurstschool.org.uk/6th-form/about-6th-form/>

These are really exciting times for our Year 11 students as they consider their next steps. As many of our Year 11 cohort have been with us since Year 7, we know them very well and we are, therefore, looking forward to welcoming them back next September. We are a unique Sixth Form in the local area, and pride ourselves on being able to offer a high level of support to our students. We are rightly proud of our student destinations track record, as students who study with us move onto their chosen university, apprenticeship or workplace.

Please do not hesitate to contact me if you require further information about Sixth Form courses or Sixth Form life in general.

Yours sincerely,

Mr N Marshall
Head of Sixth Form
