Exciting times ahead

Consider your hopes and aspirations at the start of the year and make every lesson and study period count.

Think to yourself **“what have I done this hour to make a difference to my potential?”**

The Sixth Form Tutor Team

Miss Jones
Year 12 tutor

Mrs Reeves
Year 12
tutor

Miss Callan
Year 12 tutor

Mrs Hawksworth
Year 13 tutor

Mr King Year
13 tutor

Mrs Nicholls
Work Related
Learning
Coordinator

The role of the tutor

- First port of call for guidance and support - for students, parents and staff
 - Target setting (based on GCSE point score - MEGs)
 - Assist in the completion of the progress log
 - Communication between staff/student/parent/tutor regarding pastoral issues, attendance and academic concerns
 - Help with organisation and forward planning
-
- Weekly tutor session: Thursday afternoons from 2.30pm - 3.00pm

What is a full time student?

540 Guided Learning Hours for each academic year

So how is this made up?

- Taught lessons - 8 hours per subject per fortnight
- Study sessions - 6 per week (2 for each subject)
- Enrichment
- Citizenship
- Tutorial Sessions
- Work Experience - Year 12

Structure of the Day 2021-22

Time	Year 7, 9 & 11	Year 8, 10 & 6th Form
8:30	Students Arrival / Staff in classrooms	
8:40	Registration	
8:50	Period 1	
9:50	Break	Period 2a
10:10	Period 2b	
10:50		Break
11:10	Period 3	
12:10	Lunch	Period 4a
12:30	Period 4b	
13:10		Lunch
13:30	Period 5	
14:30	Tutor time/Assembly	
14:50	End of the day (KS3 & 4) / Start of Period 6	
15:10	Bus Departs	

Studying outside lessons

Homework will be set regularly - usually students are expected to match the time spent in lessons with homework time

Much of this can be completed in study sessions

All homework will be set using Google Classroom

Independent Study

- Demanding courses
- Dedicated study time and space to study at home
- Use of study periods during the Sixth Form day
- The school is open!

Enrichment - Wednesday P3

Fitness Suite

D of E

Football

Sixth Form contribution to the school newsletter

Badminton

Assisting with lower school classes

Hockey

Trampolining, basketball, netball, volleyball

On-going Work Experience or volunteering

Organisation is key!

Y7CM	1 8.55 to 9.55	2 9.55 to 10.45	3 11.00 to 11.50	4 11.50 to 12.45	5 1.45 to 2.35	6 2.35 to 3.25
Monday	Literacy	English	Maths	ICT	PSCHE	Geography
Tuesday	English	Art	French	Science	Design Technology	
Wednesday	Literacy	DT	Art	Drama	ICT	Science
Thursday	PE	Maths	RE	English	History	PSCHE
Friday	Literacy	Maths	Art	Science	PE	

Note: Daily Assembly Time: 10.00-10.15. Break time: 10.45-11.00. Lunch time: 12.45-1.45.

Attendance

Attendance is reviewed weekly.

I = ill

N = unauthorised absence

C = exceptional circumstance

V = educational visits

- Request for absence can only be given by Mrs Smith via an absence form.
- Doctor's, dentist appointments, driving lessons etc. should not be made during timetabled sessions where possible.
- Attendance on reports will be for timetabled lessons.

Signing in and out

Sign in and out books are located by the Sixth Form Office

Essential for a variety of reasons

- Health and safety
- Fire drill
- Checking attendance if not present in lesson
- Contacting home

Students will be able to leave the school site during non contact lessons, break and lunch.

Keeping us informed

In case of illness, please contact The Main School Reception on 01344 775678 before 8.30am, if possible, so registers can be annotated

Our lower school percentage attendance is 96% so we are looking to match or exceed this figure

Poor attendance is the single largest contributor to underachievement

When we will contact parents

- With notable achievements
- Absence from lessons via SMS or phone call to inform you
- Should a student see Mrs Marshall on the Main Reception, sign out and go home ill
 - *Please acknowledge receipt of these messages at the first opportunity*
- If there is any serious academic or pastoral cause for concern, via letter or telephone call
- With half termly progress reports
- With trip, visit or event details

Getting things right - Year 12

“Settling in” reports

Staff will alert us to any issues:

- Punctuality
- Quality of work
- Understanding
- Attitude to learning

Census date for Bracknell Forest - **October 7th 2021**

Assessment and reporting

Target Grades (MEGs)

Assessment Points

Grade Reports

Part Time Work Commitments

Government guidelines for a **full time 16 - 19 student** - 8 hours per week

No work during the school day - 8.30 to 4.15 pm.

Work training - evenings and weekends

University & Higher Education

- Attend regional H.E. conference at The University of Surrey (Y12)
- Visit a university e.g. Southampton, Surrey, Reading, Portsmouth (Y12)
- On-going advice from tutors about choices and courses (Y12 and Y13)
- Guided through the application process in citizenship sessions

UCAS

Employment & Apprenticeship

- Attend the Careers Fair at Sandhurst School (October of Y12)
- Attend the Birmingham NEC skills show
- Receive information about current jobs and apprenticeships sent from Connexions Berkshire
- Get an individual careers appointment with Adviza – usually in school (leads to an individual action plan following discussion)

Work Experience Comments

- is a very capable young man and will doubtless go far in whatever career choice he makes.is a credit to his school and parents.
- You were confident, polite and helpful. Thank you for all your support.
- Very confident, always kept herself busy. Best work experience ever had for 26 years!
-revealed himself to be self-motivated and thrived in tasks completely new to him.
- was an absolute delight to have – she was wonderful with clients, thorough in every job she did, enthusiastic and completed every task to the utmost of her ability. If she feels she want to pursue a career in the salon industry, we would like her to apply here.
- Really pro-active – not afraid of mess! Carried out duties diligently without complaint. Excellent with clients, appropriate with dogs/animals.
- has shown a keen and positive interest. We were very impressed with his technical drawing ability. We would welcome back to the practice again in the future should he wish to gain further experience.

Work Experience Timeline

Information sheets – students	Autumn 2021
Parents Evening information	September 2021
Application Forms	October 2021
Health & Safety Risk Assessments	February – May 2022
Placement Confirmation	June 2022

Deadline for **ALL** applications will be **February 2022**

Key Stage 5

[Sixth Form Handbook 2020-21](#)

Courses

The curriculum at post-16 provides opportunities for students to progress from Level 2 study. The majority of courses are two year A level linear courses. There is also a range of Level 3 vocational qualifications. The option blocks are organised after Year 11 students have indicated their qualification preferences. These blocks are designed, within timetabling and staffing constraints, to fit the optimum number of student choices for subject combinations.

Questions received - Thank-you

If my child begins a subject and then decides it is not for him, is there a 'window' of time where they might be able to change subject? What is the process for doing so?

Do Y12 students keep their existing Cucina account for lunches etc.?

Do students have to be in school during their free periods?

What trips will there be for 6th form?

Do we need to purchase text books?

Thank you
