Dear Parent/Carer

## Re: KS3 Science Revision Guides

Your son/daughter is currently preparing for their end of KS3 science examination which will take place at the beginning of November of the new School year. To help prepare for the exam we recommend buying a revision guide and workbook to help support your son/daughter's learning at home. We would recommend purchasing the "**KS3 Science Complete Revision & Practice**" from CGP as this covers all of the relevant science content.

We currently purchase these at a reduced price of **£5.50** (usually retail at £10.99). If you wish to purchase the revision guides through the school, please complete this form using this online [LINK](#), make your payment and return with the reply slip to the Finance Office. The revision guides can be paid for in the usual way by cash or cheque payable to Sandhurst School Private Account, with the student's name, tutor group and "KS3 Science Complete Revision & Practice Guides" written on the back of the cheque and also on the front of the envelope. Receipts for payments will be emailed or forwarded to parents via the students.

This reduced price is only available with CGP for a limited time, therefore we ask that all orders and payments are returned to the finance office by the end of next week, **Friday 25<sup>th</sup> June 2021**. Any orders after this date will not be able to be processed.

Please do not hesitate to contact the Science Department if you have any concerns or queries. If you already have revision guides and/or workbooks from other publishers, these will be just as useful.

Yours sincerely
