Dear Parent/Carer(s),

Re: Year 10 Science Revision Guide

Your son/daughter is shortly about to sit their Science end of Year 10 exams. To help prepare for this and future exams we recommend buying a revision guide to help support your son/daughter's learning at home. We would recommend purchasing the '**AQA 9-1 GCSE Combined Science: AQA Complete Revision and Practice Guide**' from CGP as this covers all of the relevant science content. However, if your son/daughter is studying Triple Science we would recommend purchasing the Triple revision guides from CGP as this will then cover all three Science GCSEs.

We can currently purchase these at a reduced price for the Combined Science the revision guide is **£11.00** (usually retail at £17.99). If you are opting to study Triple Science then the revision guides are £5.50 each so total at **£16.50** (usually retail at £32.97). If you wish to purchase the revision guides through the school, please make your payment and return with the reply slip to the Finance Office. The revision guides can be paid for in the usual way by cash or cheque payable to Sandhurst School Private Account, with the student's name, tutor group and "GCSE Science Revision Guide" written on the back of the cheque and also on the front of the envelope. Receipts for payments will be emailed or forwarded to parents via the students.

This reduced price is only available with CGP for a limited time, therefore we ask that all orders and payments are returned to the finance office by **Friday 20th May 2022**. Any orders after this date will not be able to be processed.

It is school policy that no child is disadvantaged by virtue of the fact that their parent(s) are unable to pay. Children in receipt of free school lunches may be eligible to have some of the cost of this revision guide paid for by the school. Parents do not have to pay for school lunches if they receive any of the following:

Income Support

Income-based Job Seeker's Allowance

Income-related Employment and Support Allowance

Support under Part IV of the Immigration and Asylum Act 1999

Child Tax Credit, provided they are not entitled to Working Tax Credit and have an annual income (as assessed by HM Revenue and Customs) that does not exceed £16,040

Working Tax Credit during the four-week period immediately after their employment finishes or after they start to work less than 16 hours per week

The guarantee element of State Pension Credit

Children who receive IS or IBJSA in their own right are also entitled to receive free school meals. Please contact the finance office if you need any help with payments towards this science revision guide.

In addition your son/daughter should also have access to revision resources via the Year 10 **GCSE Science Revision Classroom** with a unique class code of **2jwhgzf**. Here they will find resources and activities posted over the next two years to help aid revision. Each student will also have access to www.kerboodle.com with their own unique username and password, here they can access online textbooks and resources. Login details for this will be given to students in class over the next few weeks.
