Dear Student and Parent/Carer(s),

Re: Adviza Sessions

As part of your careers programme, you will receive specialist, impartial careers advice in KS4 & 5 through a programme of group sessions and individual interviews. This is delivered by Claire Thomas from Adviza who is based in school every Wednesday.

As you are in Year 10 we will be starting small group sessions in May through to June/July and these will be delivered in PC4 for an hour. These sessions are a chance for you to understand all the Post 16 options and explore areas such as career ideas, further education, Sixth Form/ college courses, apprenticeships etc. We start these sessions in the Summer term as by Christmas you will be applying for your Post 16 options.

The sessions will be delivered by Claire Thomas and you will be advised in advance when your session will be. If for any reason this clashes with an important lesson or mock exam please let your tutor or myself know so I can reschedule it.

When you are in Year 11 you will be offered a further 1 to 1 appointment and [HERE](#) is some further information from Claire plus a short video to give you more information about Adviza and what to expect for your 1 to 1 appointment.

Kind regards

Mrs C Hoekstra
Careers Co-Ordinator
