

Welcome

Sandhurst School challenges, supports and inspires every individual to achieve their best; a sense of belonging is encouraged, responsibility is shared and everyone is valued.

Meet the Year 7 Tutor Team

Bailey House

7B1	Mr Riley	Library
7B2	Ms Allen	Conference Room

Gemini House

7G1	Ms Vallee	SLC
7G2	Mrs Probert/Mrs Watson	PC 4

Romer House

7R1	Mrs Dennis	Hall
7R2	Miss Heighes	Canteen (Reception end)

Young House

7Y1	Ms Irving	A4
7Y2	Miss Fernandez/Mrs Tudor	A8

What is Year 7 about?

- Building on what has been achieved in primary school
- Getting off to a fresh and flying start in a new school
- Developing skills for lifelong learning
- Preparation for adult life

Our aim : to ensure all students feel welcomed, valued and cared for

The keys :

- Support systems - form tutors and Heads of House
- Communication - parents, and school working in partnership

Role of the tutor

Each house has a team of ten tutors.

The first member of staff your child will get to know well and they are your first point of contact.

To contact your tutor – please call the Sandhurst School phone number and ask to speak to your son/daughter's tutor.

Tutors support students with their welfare and academic progress. They also support students in making the right choices in and around school.

FAQ

Q: What happens if my son/daughter is late for school?

Q: What happens if my son/daughter does not wear the correct uniform?

Q: I would like extra support for my son/daughter - how do I go about this?

Student Expectations for PLRs

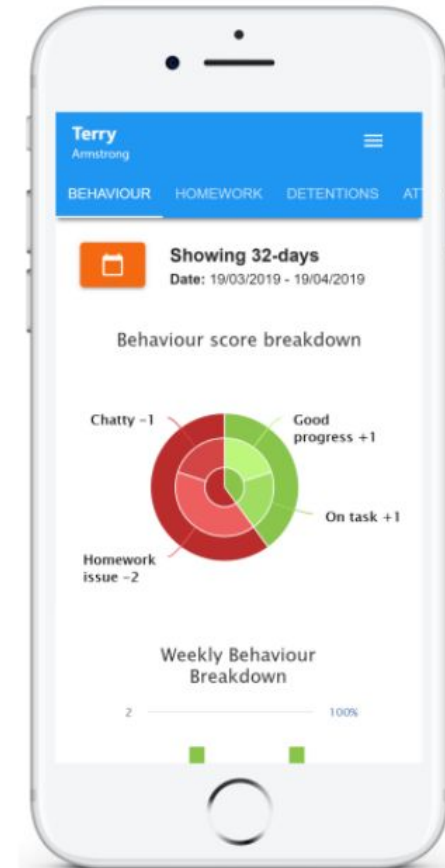

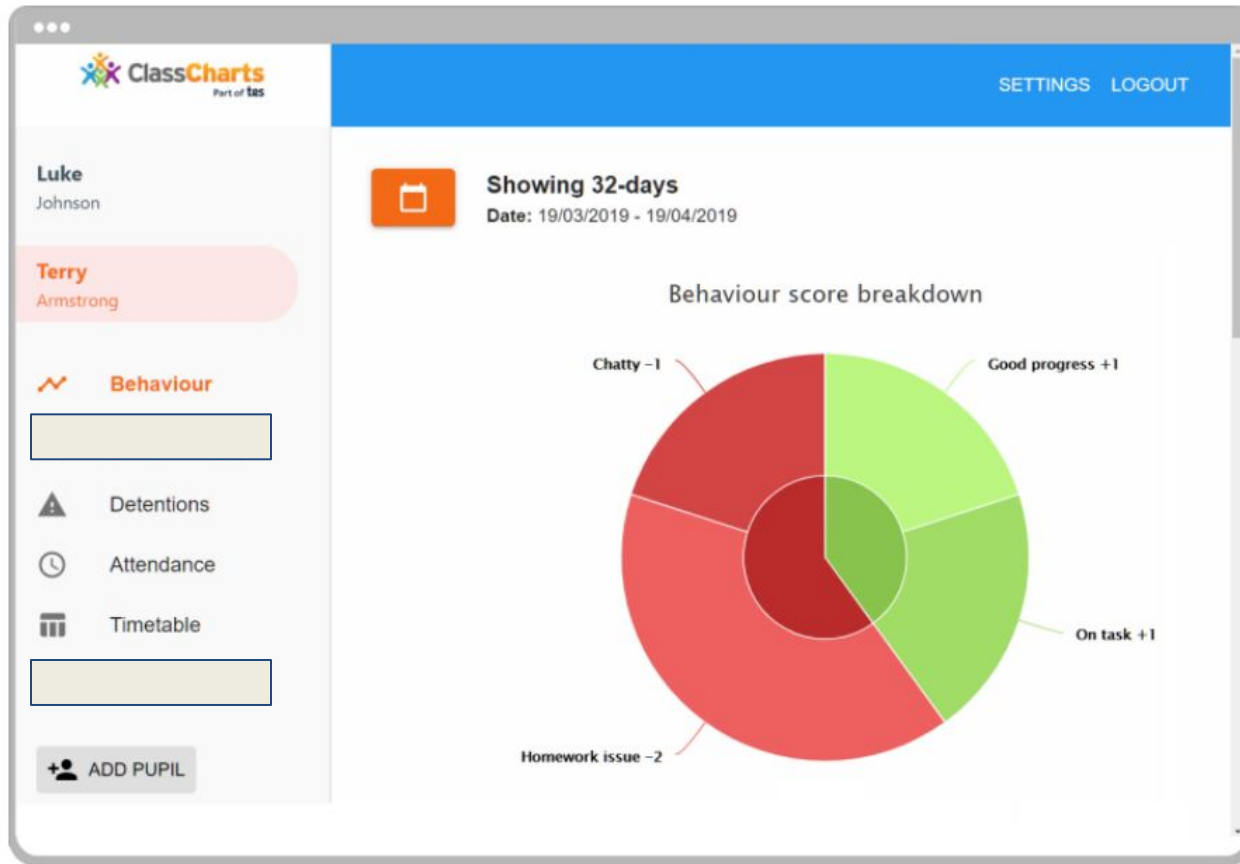

Positive Learning Routines

Entry to a Lesson/Tutor Time	Exit from a Lesson/Tutor Time
Line up outside (if instructed to do so)	Pack away quietly and stand behind seats
Enter the teaching space in silence	Check area is tidy and clear of litter
Get 'Ready to Learn'	Wait in silence to be dismissed
Complete SILENT STARTER	Leave in an orderly and quiet fashion

Making sure **EVERYONE** has a **POSITIVE** start to **EVERY LESSON** to maximise **LEARNING**

ClassCharts

ClassCharts

Via email you will be informed of positive behaviours, house-points and detentions.

By logging in you can track behaviour, positive and negative, across all subjects and over time, it will also show attendance.

There is a free App (for both parents and students) for your mobile so you can keep up to date, or you can use the website.

Unique parent code has been sent via email plus a welcome letter from the school was sent earlier today.

ClassCharts - Reward Store

House points = spendable points in the Reward Store

Positive house point = +1 spendable point

Negative house point = -1 spendable point

Rewards can be ordered by logging into your son's/daughter's account (web browser or via the ClassCharts Students app)

The screenshot shows the Google Play Store page for the 'ClassCharts Students' app by Edukey Education Ltd. The app has a 2.6 star rating from 2,45K reviews and over 100K downloads. It is available for everyone. The app icon is an orange square with white stylized figures. Below the app name, there are several screenshots of the app's interface, showing a calendar, a list of tasks, and a reward store. The bottom of the page shows the 'App Store Preview' section, which includes the app's logo, name, developer, and a link to the Mac App Store.

Example Report

Name: John Green

Tutor Group: 7Y1

Date: 5 September 2022

Percentage Attendance: 85.8

Lates: 16

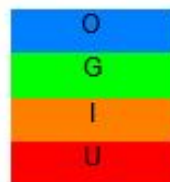

Annual House Points Total: 23

Detentions since last report: 0

	7MA1	7MA2	7MA3		Behaviour	Effort	Homework
Art	4	7	5		O	O	G
Drama	5	5	4		G	G	-
English	5	5	5		G	G	G
French	7	3	5		G	G	G
Geography	6	-	5		G	G	G
History	6	-	6		O	O	O
Computing	7	9	5		O	O	O
Maths	6	6	7		O	G	G
Music	4	4	3		G	I	-
PE	-	-	-		O	G	-
PSHCE	-	-	-		G	G	-
RE	7	6	6		O	O	G
Combined Science	7	6	4		O	O	O
Technology	7	6	6		O	O	G

MA - Milestone Assessment.

PSHCE - Personal, Social, Health and Economic Education.

- Outstanding, the highest standards always met.

- Good, standards good much of the time, but occasional inconsistencies leave room for improvement.

- Inconsistent, standards are variable, unsatisfactory as often as satisfactory. This adversely affects progress.

- Unsatisfactory, standards are very inconsistent and often unacceptable. This is having a major impact on progress.

Set 'Goals' not 'Targets'

- Use of **KS2 results** may not represent a student's true ability, especially after the recent disruption to their education.
- Being able to predict what an **individual's potential is for five years time is impossible** and does provide 'the opportunity to succeed'. **Potential should not be capped or limited.**
- **Learning is not linear**, not being on target all the time can be a cause of stress, what matters is to identify the small incremental change needed to move the learning forward, for 'goals' to be set. To celebrate success.
- The intention is for students to reflect upon their own progress and enable their **aspiration to flourish.**
- **Students will often surprise you.** They turn out to have qualities, talents and skills that no one, not even they themselves, believed they had.

Set 'Goals' not 'Targets'

- By giving a target, we imply there is a ceiling on a child's potential and this in itself may well create the low aspirations and low confidence.

We do not believe that anyone can achieve anything; rather, we believe that with dedication, industry and know-how individuals can make progress beyond what anyone, including themselves, could have imagined.

Curriculum Overview

Curriculum Overview

- [Remote Education Provision: Information for Parents](#)
- [Curriculum Policy](#)
- [Curriculum Time and Subject Information](#)
- [Details of the School Day](#)

Curriculum

Our students follow the National Curriculum and a broad range of subjects over a two week timetable of 50 one hour lessons. This allows students to demonstrate their individual talents, whilst providing a sound basis for further study and for success in later life.

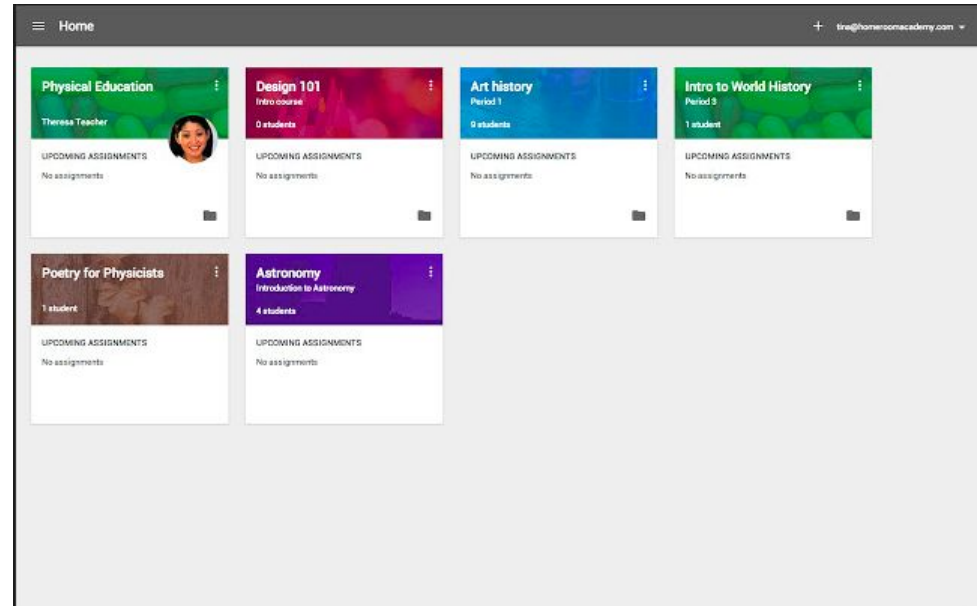

Please contact Reception [here](#) to be referred to the correct member of staff regarding your query about the curriculum.

Homework

- Every teacher has a Google Classroom for each of their classes.
- Homework will only be in the student planner if your son/daughter writes their homework into it, so please check online with your son or daughter if you have concerns.
- Homework will vary and grow in intensity as time goes on, students will be expected to allocate additional time to revision, especially before exams.
- All parents/carers will be invited to receive notification of the work set.

Information on Google Classroom is being sent this week.

Homework

Mr Southwood posted a new assignment: Homework

Due 23 Sept

Posted 18 Aug

Hi,

This is your first homework. It has two parts, part one I expect you all to do very well as it just requires a little research.

Part 2 is a little more complicated and you will need to go back to your notes from Year 7.

I will require a printed copy. Title, name, and looking well formatted and presented.

If you need any help just ask me.

Good luck and thank you.

Mr Southwood

Questions

- 1) Research what is ASCII and present your findings in a printed document (5)
- 2) Complete the Binary to Denary conversion of the following: (5)

10110111
11011001
10101010
01100011
00111101
