Dear Parent/Carer(s),

Re: Year 10 Parent Information Evening - Thursday 14th September, 5:00pm – 5:45pm

Traditionally all parents of Year 10 students have been invited to attend a Year 10 Parent Information Evening at the start of KS4 courses in September. The purpose of the evening is to guide parents through the 9-1 grading structure, provide key dates and explain how progress and attainment are reported along with the support you can access if you have any concerns. This year it will also include information about why student reports will no longer include target grades as well as a short presentation on apprenticeships.

Some parents may already be familiar with this information and with this in mind, it seems appropriate to offer this as an optional evening to those parents who would appreciate the opportunity to find out a little more. All parents will receive, via email, a copy of the presentation.

To assist with planning I would be grateful if you would either reply using either the reply slip below or online by visiting the following link - [Reply Form](#)

I look forward to seeing you on **Thursday 14th September**.

Yours sincerely,

Mr J Southwood
Deputy Headteacher
