Dear Parent/Carer(s),

Re: Year 9 Options Evening

The Year 9 Options process is fast approaching. On **Thursday 30th November 2023**, there will be a presentation for Year 9 parents in the school hall at 6:00pm.

The purpose of this presentation is to guide you through the process and help you to support your son/daughter with these important decisions about their future. Your son/daughter will receive their own assembly on the options process, so there is no requirement for them to attend the evening.

The Year 9 Subject Evening is scheduled to take place on **Thursday 11th January 2024**, this will be an opportunity for you to discuss the progress of your son/daughter in their different subjects and help them to make a decision on the courses they wish to take. The window for selecting their options will start on **Monday 15th January 2023** and close on **Friday 26th January 2023**.

An options booklet with information on the different courses available at Sandhurst School will be given to the students on **Friday 1st December** after their options assembly. If you have any questions in the meantime about the options process, please contact me at school.

Yours sincerely,

Mr B Laws
Deputy Headteacher
