Dear Parent/Carer(s),

Re: Year 7 Citizenship Day - Politics

As part of the Citizenship Education programme at Sandhurst School, students in Year 7 have two days each year off timetable to enable them to have some education in more specialist areas. I am writing to inform you that students in Year 7 will have their Citizenship Day on **Tuesday 6th February 2024**.

The main focus for the day is the topic of Politics. Students will take part in discussions and lessons looking at the working of Parliament and political parties. Students will have the chance to meet a local town councillor and to ask questions about their role. They will work in groups to create their own political party and have the opportunity to take part in a mock election.

If you wish to discuss any aspect of the programme, please contact me at the school.

Yours sincerely,

Miss S Hunt MBE
Deputy Headteacher
